Reale's volume supplies a synthesis previously lacking--a synthesis in the historical treatment of the great philosophies of the Hellenistic Age: the Academy, the Peripatos, the Stoa, the Garden of Epicurus, Scepticism, and Eclecticism. Reale's extensive and fully documented treatment of the major schools of the period is unified by his thesis that the ethics developed by these major schools were secular faiths that sprang from intuitions about the meaning of life first emotionally grasped and then systematically and rationally developed. It is for this reason that the teachings of these schools endured almost continuously for about 500 years. It is for the same reason that the founders of the schools were considered gods and were actually, in a certain sense, the saints of secular faiths and religions. In this book, Reale traces the decline of the philosophical schools of the classical period, the post-Platonic Academy, the post-Aristotelian Peripatos, and the minor socratic schools. The destruction of the polis and the incapacity of the schools to address the concerns of the new age were the fertile grounds from which the new schools developed. The Garden of Epicurus, the Porch of Zeno, and the sceptical movement initiated by Pyrrho form the core of the volume. The volume contains a select bibliography and an index of names

A media frenzy ensued as JT's fans, mentors, and readers came to terms with the fact that the gay-male-ex-truck-stop-prostitute-turned literary-wunderkind was really a girl from San Francisco, whose sister-in-law wrote the books. *Girl Boy Girl* is the story of how Savannah Knoop led this bizarre double life for six years, trading a precarious existence as a college dropout for a life in which she was embraced by celebrities and artists—Carrie Fisher, Courtney Love, Mary Ellen Mark, Winona Ryder, Asia Argento, Sharon Olds, Gus Van Sant, Mike Pitt, Calvin Klein, and Shirley Manson, to name a few—and traveled the world. Telling her side of the story for the first time, Savannah reveals how being perceived as a boy gave her a sense of confidence and entitlement she never had before. Her love affair with Asia Argento is particularly wrenching, as they embark on an intimate relationship that causes more alienation than closeness. As Savannah and Laura struggle over control of the JT character, Savannah realizes the limits of the game - - and inadvertently finds herself through the adventure of being someone else.

The basis for the hit TV series *Gangland Undercover!* The gripping account from an ex-con who went undercover to help the ATF infiltrate three of America's most violent biker gangs. Despite lacking any experience with motorcycle gangs, Charles Falco infiltrated three of America's deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep under cover to bring violent sociopaths to justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardino's Murder Unit and endured solitary confinement to protect his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteer his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty two arrests of members for various crimes, including assault and murder. Executing one of this country's most successful RICO prosecutions and

the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your

I hereby record those events which took place in and around the city of Lazet relating to the assassination of our venerable Brother Augustin Duese in the year of the Incarnate Word, 1318. So writes Brother Bernard, an Inquisitor of Heretical Depravity, following the discovery of his superior's dismembered corpse. At a time when heresy is a heinous offence, routed out with ruthless determination, Brother Bernard is accustomed to dispensing harsh justice. But as he attempts to make sense of this shocking crime, he himself becomes an object of persecution—thanks to his passionate involvement with a mysterious suspect and her beautiful daughter. Pursued as a heretic, implicated as a murderer, Bernard must now face his accusers. To fail such a task, in fourteenth century France, means certain death. Catherine Jinks has crafted a magnificent tale of murder, forbidden lust and betrayal.

This book is a comprehensive and accessible introduction to the key debates concerning the representation of masculinities in a wide range of popular television genres. The volume looks at the depiction of public masculinity in the soap opera, homosexuality in the situation comedy, the portrayal of fatherhood in prime-time animation, emerging manhood in the supernatural teen text, alternative gender roles in science fiction, male authority in the police series, masculine anxieties in the hospital drama, violence and aggression in sports coverage, ordinariness and emotional connectedness in the reality game show, and domesticity in lifestyle television.

Masculinity and Popular Television examines the ways in which masculinities are being constructed, circulated and interrogated in contemporary British and American programming, and considers the ways in which such images can be understood in relation to the 'common sense' model of the hegemonic male that is said to dominate the cultural landscape.

offers a concise and critical appraisal of major contributions to the theory of ideology, from Marx and Mannheim, to Horkheimer, Adorno and Habermas. He argues that these thinkers - and social and political theorists more generally - have failed to deal adequately with the nature of mass communication and its role in the modern world. In order to overcome this deficiency, Thompson undertakes a wide-ranging analysis of the development of mass communication, outlining a distinctive social theory of the mass media and their impact.

For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to "The Hillary Beat" ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became – both personally and professionally – intrinsically intertwined to Clinton's presidential ambitions. Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But Chasing

Hillary is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick's life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, *Chasing Hillary* is a campaign book like never before that reads like a fast-moving political novel.

Mildred Pierce had gorgeous legs, a way with a skillet, and a bone-deep core of toughness. She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class. But Mildred also had two weaknesses: a yen for shiftless men, and an unreasoning devotion to a monstrous daughter.
