

Adam Gilchrist True Colours Free

Wayne Bennett, coach of the Brisbane Broncos, is known as one of Rugby League's shrewdest and most innovative managers and motivators. He is also a man of great compassion, courage, tenacity and humour with powerful family ties. In this book, Bennett discusses what it takes to be a winner, in football and in life. Wayne Bennett's DON'T DIE WITH THE MUSIC IN YOU is a book full of anecdotes, inspiration and homespun philosophies that reflect Wayne Bennett's love for his family, friends and footballers, his great talent for teaching and his enormous respect for rugby league and the men who play it. He writes on everything from mateship to the business and politics of sport, from the importance of loyalty and team spirit to the value of self-confidence and being honest with yourself. From battling through testing times to what it takes to be a winner, and to be a leader. In doing so, he offers positive messages not just for footballers, but for anyone trying to make a mark in sport, in business, in life. It's time we celebrated women in adventure What does "toughness" mean to you? Perhaps it's being physically fit and mentally resilient. Perhaps it's doing something no one else has done before. Perhaps it's breaking down boundaries and proving what you can do, in spite of the naysayers. Perhaps it's travelling alone, immersing yourself in new cultures and meeting new people. Perhaps it's running ultramarathons in the blistering heat and beating the competition. Perhaps it's conquering your fears. The badass adventurers in this collection are all fearless, intelligent, compassionate and curious about the world - and they all happen to be female. From endurance obstacle races to arctic expeditions, from mountain climbing to wingsuit flying, from horse trekking to swimming the English Channel, they have set the bar high for what women are capable of. Let yourself be inspired by their stories of grit, courage, determination, triumph and heartbreak - you never know, it might lead to something incredible! The end of career biography of one of the most loved stars of Australian cricket is now available in paperback with a brand new cover, after selling over 30,000 copies in hardback. Michael Hussey's huge popularity does not rest solely on his incredible playing record. Popularly known as Mr Cricket, he made his Test debut against the West Indies in Brisbane in November 2005, and has scored 6,183 Test runs over 78 Tests in his career. But to his fans, it is the way he plays the game rather than simply the sum of his achievements that marks him out as one of the best-loved cricketers of his generation. He is a middle-order maestro with a batting average of 51.52, but he has always played cricket with an integrity and sense of values that is the epitome of what cricket stands for. His autobiography takes you behind the scenes to his world of cricket. From his lengthy struggle to break into the Australian side, through to his masterly achievements in the Australian team, in ODI and Indian Premier League – this book follows his extraordinary cricket career., with plenty of surprisingly frank admissions & behind the scenes dramas.

DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

Twelve amazing natural wonders are seen through the eyes of illustrator Bethany Lord from above! Children will be amazed by the way the Great Barrier Reef, Mount Everest, Victoria Falls, and other stunning geographic features look from a bird's-eye view, which is close enough to see some detail but grants a new perspective to the viewer. Simple explanatory text will introduce young readers to each wonder, providing key facts and context as well as encouraging readers to take in the exciting visuals.

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Everyone knows the story, or thinks they do. The leg-spinner who rewrote the record books. One of Wisden's five cricketers of the twentieth century. A sporting idol across the globe. A magnet for the tabloids. But the millions of words written and spoken about Shane Warne since his explosive arrival on the Test cricket scene in 1992 have only scratched the surface. The real story has remained untold. In *No Spin*, Shane sets the record straight. From his extraordinary family history to his childhood as a budding Aussie Rules footballer in suburban Melbourne. From the legendary 'Gatting ball' to his history-making 700th Test wicket. From the controversy surrounding the diuretic pill in South Africa to his high-profile relationship with Hollywood star Elizabeth Hurley. Nothing is off limits, and Shane tackles it all with his trademark directness and humour. These days an incisive, charismatic TV commentator and analyst, the 'Sultan of Spin' also lets us in on the mysterious art of leg-spin bowling, revealing the secrets of some of his deadliest deliveries. As Shane says, 'Few batsmen, if any, truly know what I do.' A sporting great, a celebrity, a family man and a self-confessed regular Aussie bloke from the suburbs, in *No Spin* Shane offers a compelling insight into how a boy from Black Rock changed the face of cricket forever.

Greg Chappell: *Not Out* brings his many years of experience to the fore to discuss Australia's favourite sport from all angles, including scandals, mental skills, and the future of the game. Greg Chappell's retirement as a cricketer was the conventional end of a great sporting career. But it was only the start of an equally lively journey. An original thinker and a peerless judge of talent, Chappell commands respect and is widely sought after for his views on all things cricket. He has seldom been away from the thick of it. Here, he tells all. Forty years since the underarm, Chappell takes us inside the secretive world of selection. He tells the story of Twenty20's forerunner Super 8s, and reveals his insights from an eventful stint as coach of India. He speaks frankly on a decade at Cricket Australia, including warning signs he saw ahead of the Newlands scandal, and calls for greater focus on the game's mental skills. Chappell also unveils a blueprint for the future of Australian cricket. He argues forcefully that the game has drifted too far from the type of lean, hungry system that helped to take the national team to the top. *Greg Chappell: Not Out* is a uniquely insightful and entertaining look at cricket, and a must-read for all fans of the sport.

The number 1 bestseller in paperback. One of the greatest cricketers of all time, Ricky Ponting boasts more records than any other player in Australian history including the most wins as a player and a captain, as well as being Australia's highest run-scorer in test and ODI cricket. From childhood prodigy to the highs and lows of an extraordinary international career, *At the Close of Play* is the remarkable autobiography of one of the game's greats. But beyond the triumphs and scandals, records and retirement, this is the story of a life lived in cricket and of a life shaped by extraordinary talent and the people who believed in that talent.

Matthew Hayden was one of the most commanding batsmen the game has ever seen - and one of its great enigmas. A

religious man and a ruthless on-field sledger. A brutal enforcer, and a soft-hearted family man. Australian record-holder for highest score in Tests and One Day Internationals, who was at times troubled by self-doubt and doubters. In *Standing My Ground* Hayden confronts these contradictions head-on. He talks frankly about the forces that shaped his journey from fringe international to a giant of the game, and takes us on a privileged tour inside the sporting machine that dominated all comers in a golden age of Australian cricket. This isn't a predictable ball-by-ball account of a stellar career. Instead, Hayden delivers a characteristically direct assessment of the matches and the people that mattered most. He opens up on umpires, the media, superstitions, teammates and opponents with disarming honesty and humour. The country boy from Kingaroy rose to greatness in the cricket world. Here is the superstar batsman, the surfer, fisherman and chef in a book as bold and powerful as the man himself.

This Book is Not for the Squeamish No. This is the autobiography of the Hardcore Legend, Mick Foley. Some wrestling fans claim that "Foley is God." You're about to find out why. Mick Foley is a nice man. A family man. He loves his son, Dewey, his daughter, Noelle, and his beautiful wife, Colette. He loves amusement parks, eating ice cream in bed, and watching Nickelodeon. So, how to explain his participation in Japanese Death Matches, which replace the ring ropes with barbed wire, cover the mats with glittering gold thumbtacks, and feature C4 explosives scattered throughout the ring? How to explain the barbed--wire scars that zigzag across his body, the second-degree burn tissue that is a memento of an exploding C4, and the missing ear that was ripped clean off his head during a bout? And how to explain how, after losing his ear, he then continued his match? Here is an intimate glimpse into Mick Foley's mind, his history, his passions, and what some might call his pathology. No ghostwriter. Not "as told to." Straight from the twisted genius behind Cactus Jack, Dude Love, and Mankind---deciphered from 760 pages of maniacally handwritten notebook paper--comes a tale of blood, sweat, tears, and still more blood. You'll chuckle at Mick's early back-yard wrestling antics and homemade wrestling movies. You'll be amazed by the inside scoop on legends in the business like Terry Funk, Harley Race, Abdullah the Butcher, and Ric Flair. You'll squirm as Mick describes his incredible risks in the ring and his grisly, mind--numbing injuries. Finally, you will cheer with true admiration as arguably the hardest-working, most dedicated, and most heroic man in sports-entertainment beats all the odds and takes home the prize he had been told all along he would never, ever get: the World Wrestling Federation Championship belt.

'AB has become the most valuable cricketer on the planet' Adam Gilchrist AB de Villiers is one of the finest batsmen ever to play cricket, and yet his achievement extends beyond his outrageous armoury of drives, pulls, paddles, scoops and flicks. Whether he is delighting home crowds at the Wanderers or Newlands or setting new records in Bengaluru or Sydney, he plays the game in a whole-hearted manner that projects a positive image of his country around the world, and

also makes millions of South Africans feel good about themselves. This is AB's story, in his own words. The story of the youngest of three talented, sports-mad brothers growing up in Warmbaths, of a boy who excelled at tennis, rugby and cricket, of a youngster who made his international debut at the age of twenty and was then selected in every single test played by South Africa for the next eleven seasons, of a batsman who has started to redefine the art, being ranked among the world's very best in test, ODI and T20. Through all the pyrotechnics and consistency, AB has remained a true sportsman - quick to deflect praise, swift to praise opponents, eager to work hard, to embrace the team's next challenge and to relish what he still regards as the huge privilege of representing his country. This is the story of a modern sporting phenomenon.

Enter the world of oceans and the animals that live in them. Swim with jellyfish, wonder at the busy life of a seagrass meadow, and fence with narwhals. Fish, sharks, whales, and invertebrates swim through the pages of this colorful ocean book, which combines gorgeous illustrations and photos to help young enthusiasts learn all about the world's oceans. From glowing jellyfish to deep sea dwellers, they'll discover the incredible secret world of life under the sea. They'll also find out how they can help take care of the ocean themselves. Earth's Incredible Oceans, written by ocean expert Jess French and illustrated by Claire McElfatrick, takes children on a fascinating underwater journey, showing them just how amazing oceans are, what plants and animals live in them, and how we can help them. It includes all sorts of ocean life, plus amazing facts on how ocean animals have fun, look after their young, and interact with each other.

Conservative Americans are now having a difficult time defining what their ideology is. The Republican Party is in the midst of an inner struggle to understand itself and communicate their message to the American electorate. Republicans ask themselves questions about how to get elected, what policies and programs to adopt in order to appeal to segments of the electorate lost to them. They seem willing to advocate any movement or plans that might bolster "electability." American conservatives are engaged in both a psychological as well as a practical struggle to redefine themselves. In response to these crises, conservatism has increasingly become movement oriented and less authentically conservative. Republicans now are either more progressive or more reactionary than they are conservative, as they attempt to redefine their political ideology and maintain relevancy and legitimacy amongst the general public.

'Heads up – here's how to run like a pro' – The Times 'A fascinating book' – Adharanand Finn, author of Running With the Kenyans The Lost Art of Running is an opportunity to join running technique analyst coach and movement guru Shane Benzie on his journey across five continents as he trains with and analyses the running style of some of the most gifted athletes on the planet. 'Excellent' Trail Running magazine 'Shane is the Indiana Jones of the running world' Damian Hall, ultra marathon runner & journalist 'Running technique has to be one of the most subjective issues out there: 10 minutes'

investigation on the internet will generally confuse rather than confirm what you should or should not be doing. Mother Nature gave us some amazing gifts as runners – if we rediscover them and use them, we can transform our dynamic and everyday movement.' Shane Benzie Part narrative, part practical, this adventure takes you to the foothills of Ethiopia and the 'town of runners'; to the training grounds of world record holding marathon runners in Kenya; racing across the Arctic Circle and the mountains of Europe, through the sweltering sands of the Sahara and the hostility of a winter traverse of the Pennine Way, to witness the incredible natural movement of runners in these environments. Along the way, you will learn how to incorporate natural movement techniques into your own running and hear from some of the top athletes that Shane has coached over the years. Whether experienced or just tackling your first few miles, this ground-breaking book will help you discover the lost art of running.

Why are animals so amazingly colorful? ? Find out in this kaleidoscopic look at the technicolor world of animals. Meet animals of every color of the rainbow and find out why they are the colors and patterns they are. Discover the reason why some animals are stripy and others are spotty. Why do some creatures deliberately pop out while others strive to blend in? Why are some bright to warn off others while some only pretend to look toxic? Why are some male animals so much more flamboyant than their female counterparts? Why do some babies look so different from the grown-ups in their families? The animal kingdom is explored like never before in this richly detailed natural history book, bursting with life and color. This is a beautifully illustrated first look at the colorful and kaleidoscopic world of animals for young children. The author of the best-selling *Born to Run* describes his investigation into ancestral training techniques that have enabled Mediterranean athletes to achieve extraordinary levels of strength and fitness.

"Powerful and affecting. Hillary is an indomitable force." — Dean Karnazes In 2017, world-class ultrarunner Hillary Allen was at the top of her sport--and it felt like she was running on top of the world as she competed in Norway's Tromsø Skyrace. Allen was nearly halfway through the 50-kilometer race when she fell 150 feet off an exposed ridge, fracturing her back and breaking multiple ribs, both feet, and both of her lower arms. Beginning with the dramatic story of her accident and rescue, *Out and Back: A Runner's Story of Survival Against All Odds* recounts Allen's fight to return to the life she loves. With vulnerability that reveals remarkable strength and introspection that yields wisdom, Allen shares the story of her recovery both physically and mentally, and hard-earned knowledge that the path forward is not always linear, that healing takes time, and that the process of rediscovery is ongoing as she learns what it takes to survive--and thrive. *Out and Back* is an inspiration to anyone who knows what it means to reclaim and rebuild your life, one day and one step at a time.

With fact-filled text accompanied by beautifully bright illustrations from the wonderfully talented Chris Corr, prepare

yourself for a journey as we travel around the world celebrating and uncovering a visual feast of culture. Countless different festivals are celebrated all over the world throughout the year. Some are national holidays, celebrated for religious and cultural reasons, or to mark an important date in history, while others are just for fun. The World Full of... series is a collection of beautiful hardcover story treasuries. Discover folktales from all around the world or be introduced to some of the world's best-loved writers with these stunning gift books, the perfection addition to any child's library. Also available from the series: A Year Full of Stories, A World Full of Animal Stories, A Stage Full of Shakespeare Stories, A World Full of Dickens Stories, A World Full of Spooky Stories, and A Bedtime Full of Stories.

He was the greatest batsman of his generation and, as captain, possessed the sharpest tactical mind in the game. Bursting onto the scene in 2004 with a Test century on debut, Michael Clarke was Australian cricket's golden boy. And the batting prodigy they nicknamed 'Pup' certainly fulfilled his destiny in a stellar 11-year international career of 115 Tests, 8643 runs and 28 centuries. Clarke's rollercoaster four-year reign as Test captain was marked as much by bravery as brilliance - a 5-0 whitewash of England in 2013-14, the 2015 World Cup triumph, and a ten-hour unbeaten 161, batting with a broken shoulder to lead Australia back to the #1 world ranking in 2014. Yet Michael Clarke also sparked fiercer debate than any other Australian sports star. For a decade his personal life, career fortunes and controversies - real or imagined - were splashed across front pages and scrutinised. Was he simply a hard-working, western suburbs kid living every Aussie boy's dream? Or a 21st century cricketer mired in all the trappings of celebrity? In the echo chamber of social media, the truth about Michael Clarke was warped, then lost. Clarke's enigma deepened but he kept his mouth shut and his dignity intact, knowing the chance to tell his extraordinary story would finally come. And now it has. My Story is the real Michael Clarke, standing up and speaking out for the first time. Bucking the conventions of traditional biography to go hard at the big issues, Clarke speaks fearlessly and poignantly about the scandals, rumours and explosive moments of his life; revealing the amazing truths, private pain and personal triumphs that no one realised. It's the incredible story of a remarkable Australian you never really knew. Until now.

The Run-Away Bestseller of 2008, now in paperback Many critics believe Adam Gilchrist is the greatest wicketkeeper/batsman to have played the game, but Adam's huge popularity does not rest solely on his incredible track record. To his millions of fans around the world, it is the way he plays the game - rather than simply the sum of his achievements - that marks him out as one of the best-loved cricketers of his generation. He is both a swashbuckling

batsman and record-breaking wicketkeeper, yet perhaps his true impact has come from the manner in which he plays his cricket - with an integrity and sense of values that many thought had departed the game forever. True Colours is his autobiography, and like the man himself it's incomparable. With unflinching honesty, intelligence, compassion and humour, Adam takes you into the world of cricket that few outside of the Australian team have ever seen. From his early struggles to establish himself, through to the giant achievements of the Australian test and one-day sides, True Colours offers an extraordinary window on Adam, on cricket's major stars and on the game itself.

Updated version of the bestselling autobiography of the Australian surfing superstar. Layne Beachley's story is a testimony to the power of self-belief. It is about the skinny little girl they called 'Gidget' who overcame a king tide of obstacles, from chronic fatigue and depression to debilitating injury and family tragedy, to become an icon in the male-dominated world of competitive surfing. Winner of a record seven women's world championships, she also blazed trails in the mountainous waves of Hawaii's outer reefs, earning respect where it mattered most - in the water. Beneath the surface of the happy, positive public persona is a story of loss, redemption and the search for identity, revealing the intimate details of how Layne and her birth mother, Maggie, found each other twenty-seven years after her birth, the highs and many lows on their quest for reconciliation and the dark secret of Maggie's past. It is also a love story, describing how Layne fell in and out of love with Hawaiian big-wave rider Ken Bradshaw and found true happiness with INXS rock star Kirk Pengilly. Based on extensive interviews with more than thirty central figures, including classmates, friends, family and many of the biggest names in surfing, and written by award-winning journalist Michael Gordon, Layne Beachley: Beneath the Waves is powerful, poignant, moving and unforgettable.

A memoir of recovery by a Scottish novelist, poet, and golfer describes how he nearly lost his life before a last-ditch operation, his inspiration to resume playing golf after a more than three-decade hiatus, and his visits to renowned courses on the Orkney Islands and St. Andrews. 15,000 first printing.

The Pulitzer Prize-winning novel that tells the story of two sisters through their correspondence. With a new Preface by the author.

In January 1785, a young African American woman named Elizabeth was put on board the Lucretia in New York Harbor, bound for Charleston, where she would be sold to her fifth master in just twenty-two years. Leaving behind a small child she had little hope of ever seeing again, Elizabeth was faced with the stark reality of being sold south to a life quite different from any she had known before. She had no idea that Robert Townsend, a son of the family she was enslaved by, would locate her, safeguard her child, and return her to New York—nor how her story would help turn one of America's first spies into an abolitionist. Robert Townsend is best known as one of George Washington's most trusted

spies, but few know about how he worked to end slavery. As Robert and Elizabeth's story unfolds, prominent figures from history cross their path, including Benjamin Franklin, Alexander Hamilton, John Jay, Benedict Arnold, John André, and John Adams, as well as participants in the Boston Massacre, the Sons of Liberty, the Battle of Long Island, Franklin's Paris negotiations, and the Benedict Arnold treason plot.

From working the land in Narromine to winning cricket's World Cup three times, Glenn McGrath has always faced life with fierce determination and an unerring will to succeed, despite the odds. Following his retirement from international cricket, McGrath shares the story of his life - in cricket and off the field. Known as 'Pigeon', he won his baggy green cap in Perth in 1993 and went on to forge a brilliant career, retiring as cricket's most successful fast bowler with 563 Test wickets. McGrath entered Ashes folklore in 1997 when he destroyed England by taking 8 for 38 at Lord's, and he even scored a Test half-century with the bat. With leg spinner Shane Warne, he formed the most devastating bowling combination in Test history. Glenn McGrath's most meaningful achievements, however, have been off the field. With his wife Jane, who battled breast and bone cancers, he established the McGrath Foundation, a major fundraiser for and supporter of people with breast cancer. In the book, in their own words, the McGraths discussed their ongoing battles with the disease. **LINE AND STRENGTH** is the tell-all story of an Australian country boy who took on the world. After battling cancer for 11 years, Jane died on 22 June 2008. Life for Glenn, Holly and James is lonely but fulfilling.

England's record-breaking fast bowler reveals the truth behind his remarkable career. In his first book, James Anderson (or Jimmy, as everyone knows him) tells the story of his life in cricket. His career began at Burnley Cricket Club, where he discovered that he could bowl faster than the rest, before he moved on to Lancashire and then England. His early success made him England's golden boy, before a career-halting injury devastated Anderson. But then came a recent glorious return to form and Ashes triumphs, making this a tale of exuberance, determination and sheer force of character. Jimmy Anderson speaks openly and forthrightly about those he has played with and against, the captains he has known, and outlines his thoughts on some of the biggest issues in the game today. It all makes for a compelling read.

From the root chakra to the crown chakra, *Mind Body Baby: Chakras* is a board book that teaches little ones the colors of the rainbow through the energies of the body. This board book introduces the concept of chakras and color to the youngest readers. With simple text and instructive illustrations, babies will learn about each of the seven chakras, the energy centers in our bodies, and how we express this energy in our daily lives. This book also serves as a first introduction to colors! With adorable illustrated babies and a hip design, the *Mind Body Baby* series is the perfect way for adults and their little ones to create a healthy mind and body connection together. An Imprint Book

The Young Readers' edition of the bestselling adult non-fiction title *Many critics believe Adam Gilchrist is the greatest*

wicketkeeper/batsman to have played the game, but Adam's huge popularity does not rest solely on his incredible track record. To his millions of fans around the world, it is the way he plays the game – rather than simply the sum of his achievements – that marks him out as one of the best-loved cricketers of his generation. He is both a swashbuckling batsman and record-breaking wicketkeeper, yet perhaps his true impact has come from the manner in which he plays his cricket – with an integrity and sense of values that many thought had departed the game forever. True Colours is his autobiography, and like the man himself it's incomparable. With unflinching honesty, intelligence, compassion and humour, Adam takes you into the world of cricket that few outside of the Australian team have ever seen. From his early struggles to establish himself, through to the giant achievements of the Australian test and one-day sides, True Colours offers an extraordinary window on Adam, on cricket's major stars and on the game itself.

“Meticulously researched and beautifully crafted.... This is glorious work.” — Washington Post “A gripping, deeply relevant book.” — New York Times Book Review From Paulette Jiles, author of the critically acclaimed New York Times bestsellers *Enemy Women* and *Stormy Weather*, comes a stirring work of fiction set on the untamed Texas frontier in the aftermath of the Civil War. One of only twelve books longlisted for the 2009 Scotiabank Giller Prize—one of Canada’s most prestigious literary awards—*The Color of Lightning* is a beautifully rendered and unforgettable re-examination of one of the darkest periods in U.S. history.

A footy fan's memoir of a life on the outer looking in. Late 1970s, suburban Melbourne. Another time, another world. COP SHOP is the hottest show on television and Malcolm Fraser has set up house in The Lodge. Skyhooks are corrupting young minds and Simon Townsend still has Woodrow by his side. Against this backdrop of political upheaval and social unrest, a young boy discovers Australian Rules Football and the man who will shape his destiny - St Kilda star Trevor Barker. Soon, his flirtation with the sport becomes an obsession and weekend trips to the outer assume an almost religious significance. But a new decade brings with it new hormones, and soon our hero is trading in his football cards for condoms. Nothing, however, is quite as easy as it seems. Taking up where *FEVER PITCH* left off, *SATURDAY AFTERNOON FEVER* is the poignant and funny memoir of one socially confused football fan's painful journey into adulthood and the ups and downs of his beloved club's bumpy ride into the 1980s and beyond.

The only authorised biography of MP, a "tortured genius" and a surfing icon who embodied the zeitgeist of his time. Many critics believe Adam Gilchrist is the greatest wicketkeeper/batsman to have played the game, but Adam's huge popularity does not rest solely on his incredible track record. To his millions of fans around the world, it is the way he plays the game - rather than simply the sum of his achievements - that marks him out as one of the best-loved cricketers of his generation. He is both a swashbuckling batsman and record-breaking wicketkeeper, yet perhaps his true impact

has come from the manner in which he plays his cricket - with an integrity and sense of values that many thought had departed the game forever. True Colours is his autobiography, and like the man himself it's incomparable. With unflinching honesty, intelligence, compassion and humour, Adam takes you into the world of cricket that few outside of the Australian team have ever seen. From his early struggles to establish himself, through to the giant achievements of the Australian test and one-day sides, True Colours offers an extraordinary window on Adam, on cricket's major stars and on the game itself.

Going in first or seventh, wearing whites or colours, Adam Gilchrist was the most exhilarating cricketer of the modern age. This is the most complete, intimate and fascinating illustrated autobiography of 'Gilly', one of the most loved sportsmen of his generation. Featuring personal photographs, stories and precious keepsakes from Gilchrist's private life and illustrious career, this book provides unprecedented access to Gilly, on and off the field. Peppared with anecdotes, reflections and jibes from friends, family and many of the biggest names in Australian and world cricket, this is the ultimate collection for sporting enthusiasts.

A brilliant satire of mass culture and the numbing effects of technology, White Noise tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over there lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the

radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread. Nasser Hussain was acclaimed as England's best cricket captain since Mike Brearley. Under his leadership, a side more famous for its batting collapses and ability to seize defeat from the jaws of victory discovered its backbone. With coach Duncan Fletcher he put some steel into the side; they became a difficult team to beat. Hussain wore his heart on his sleeve: railing against complacency, defying critics of his place in the batting line-up and making a principled stand at the last World Cup when the ECB seemed incapable of it. Expect passion, integrity, insight and candour in his eagerly awaited autobiography.

THE SUNDAY TIMES BESTSELLER & TELEGRAPH BOOKS OF THE YEAR Get to know England legend Alastair Cook in his fascinating and remarkably honest autobiography 'He is England's greatest ever batsman . . . a hugely enjoyable book' Daily Mail, SPORTS BOOKS OF THE YEAR _____ Watch. The. Ball. It's just you. Standing at the crease. Waiting. The bowler is running. His arm swinging. The ball - 155 grams of cork, string and leather - is hurled at you. At 90 mph it travels 22 yards in under half a second. You can barely see it and you've got to be swinging your bat before it's halfway towards you. Because you are in its path . . . Alastair Cook, one of England's most decorated players and highest test run scorer, knows what it is like to be your best under pressure. Yet at 33 he called time on his England career. Come with him as he relives the fraught hours on the pitch, the desperate lows and astonishing highs, the paralysing anxiety that can send the best back home and the extraordinary battle of wills with yourself, the opposing players and even those supposedly on your own side. This is cricket as you've never seen it. The view from the inside . . .

. LONGLISTED FOR THE TELEGRAPH SPORTS BOOK OF THE YEAR AUTOBIOGRAPHY AWARD _____

'Fascinating, timely. Delves into the psychological challenges of the game' Guardian 'Bracingly honest' Times
