

## Attack By Magic Dragons Gift The Valkyrie Book 4

Originally published in 1968, Ursula K. Le Guin's *A Wizard of Earthsea* marks the first of the six now beloved Earthsea titles. Ged was the greatest sorcerer in Earthsea, but in his youth he was the reckless Sparrowhawk. In his hunger for power and knowledge, he tampered with long-held secrets and loosed a terrible shadow upon the world. This is the tumultuous tale of his testing, how he mastered the mighty words of power, tamed an ancient dragon, and crossed death's threshold to restore the balance. This ebook includes a sample chapter of *THE TOMBS OF ATUAN*.

I've been betrayed. I spent years hiding my magic from the world, but now I've got new powers I can't control. Everyone around me is at risk, and if my secret is revealed, I'll be hunted. But I don't have time to worry about the monster I might become. Someone has stolen a dangerous artifact that could turn my world upside down. It could get me and my friends killed and bring destruction down on my city. Is Damien Malek to blame? He's a fallen angel. Handsome and lethal. A thief and a liar. And he's betrayed me before. The heat between us keeps pulling us together, but his lies always tear us apart. If I want answers, I will have to risk everything. My job. My magic. My life. There's a riddle to solve. An ancient city to find. A deadly genie to defeat, and a dark storm rising in the burning sands. An action-packed urban fantasy, *Dark Storm* features a rebel heroine, a dark angel hero, and slow burn romance. Dive into the mysteries of the Arabian Nights and prepare yourself for edge-of-your-seat adventure amongst the shifting sands. If you enjoyed the archaeology, history, and daring in Linsey Hall's original *Dragon's Gift* books, this adventure is for you!

A Newbery Honor Winner A New York Times Bestseller This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

Fate decreed that my mate would be Tarron, King of the Seelie Fae. He's gorgeous, arrogant, and for the longest time, I hated him. Until I didn't. As soon as I start to fall for him, fate meddles again. Apparently, I'm fated to kill Tarron. To make matters worse, our Fae courts are at war. My mother is trying to destroy his kingdom. She's hunting down Eternal Fire to destroy his realm, and I have to help stop her. As we race to save his kingdom, I fall harder and harder for Tarron. He's impossible to resist. But I don't tell him the dark secret that will tear us apart--my destiny to kill him. Twisting fate to my own ends is the only way my love will survive. The question is...can I?

Another Dragon Fantasy for everyone who fell in love with the Dragon Lore Series and my other dragon-saturated books. By his own admission, Johan's always been one stubborn bastard. He's wedded to his freedom, and the thought of bonding with a dragon has some pretty serious downsides. If he doesn't sign on to become magical, though, he'll be left behind—also not an acceptable outcome. Distant relatives to dragons, sea-serpents are gaining strength shockingly fast. Breeding farms spring up on distant outposts, spitting out all manner of evil. Banished eons ago by the dragon god, the serpents are making a comeback. As the dragons seek allies, they uncover still more atrocities. Katya, dragon shifter and twin to the dragons' prince, thought she wanted Johan as her mate, but he has more rough edges than she counted on. Besides, the serpent problem supersedes everything. She's used to dragons being in charge, but when a serpent almost steals her will, it's quite the wakeup call her magic isn't as potent as she always assumed. Is the age of dragons drawing to a close? If that's true, what will come next? **READER PRAISE FOR THE ICE DRAGON SERIES:** Two humans destined to die in the ice...two last dragon shifters on earth...throw in some sea serpents and you have yourself an intriguing read and a tail that makes your heart sing.

Goodreads Review Another amazing book by Ann Gimpel. The world building in this new series is well WOW. The characters are terrific; bigger than life and not from this world. Problem is, the only way to do that is by slaying a dragon and bringing their hide back to Paddling Grounds. The magic that resides inside dragons is strong and without it her people will die. Kaleb, the dragon heir to the Pyra clan isn't looking for war. But then again no one has ever asked him what he wants. He has a duty and he will do whatever is needed to keep his people safe. Even if that means taking on the darkness himself. When Kaleb and Minx come face to face, a battle erupts. Neither are giving up, neither will fail. Until they realize they share a common enemy and only together can they defeat them. With a pull between them that is

strictly forbidden, Minx and Kaleb find they are on their own and time is running out. A fae, a dragon and a war neither are prepared for. Hope's had her eye on Charlie for a long time, for all the good it's done her. He's not even aware of her existence—other than as a fellow agent working Black Ops for the CIA. Her friends, Glory, Honor, and Charity, found men to love, so Hope knows it's possible. But the odds aren't in her favor. Not in a world of normal humans where she's a genetically modified aberration. Hell, even she refers to her kind as freaks. What man in his right mind would want one of those in his bed? Charlie swore off women after his last marriage went down in drama-tipped flames fifteen years ago. His first mistress is danger. He fell in love with the adrenaline rush when he signed on as a Navy Seal right out of college, and he never got over the thrill of pitting himself against the impossible. Hope caught his eye the night she escaped her compound, but years of ignoring anything resembling a feeling made it easy to ignore the attraction—until they're paired on a mission. Her intelligence and resourcefulness impress the hell out of him, but her half-naked body, exposed after an animal attack, forces him to face feelings he was certain he'd buried for good.

In the city of Magic's Bend, I protect what's mine. To the world, I'm a feeble Conjurer. To my closest friends, I'm a dangerous Magica with unexplainable powers given to me by a dragon. The downside? If anyone discovers what I am, I'm dead. So I lay low- kicking ass with my weapons, not my magic. Things go to hell when I witness the murder of a powerful vampire ally and become the key suspect. Soon, I'm hunted by the sexiest, strongest supernatural I've ever met. Ares is an unheard of vampire hybrid, and it's hard to say if he wants to screw me or screw me over. I've got three days to catch the real killer. The bad news? It will take my forbidden magic to succeed. But can I control it, much less keep my secret with Ares watching my every move? I'm used to protecting others...now I have to protect myself. \*This is an unofficial advance copy. It does not yet have the official cover.

Lara McInnis reads auras and flirts with an elusive ability to foretell the future. Ambivalent about her magic, she's done a fine job sidestepping most of it. After several patients—and a student or two—describe the same cataclysmic dream, ancient evil bursts its bounds, and she can't ignore her power anymore. Trevor Denoble shields his secrets with a stunning body and a boatload of British charm. The airline he works for folds. Meantime, she does her damndest to survive her magic in a world gone mad. A world where the rules have changed and there's no one left to trust. Dark Pursuit: Old blood and ancient power defy evil so dark, deep, and menacing it destroys everything in its path. Widespread rioting, plus shortages of fuel, food, and electricity lure demons across the veil to invade Earth. Drawn by anarchy, they're out of control, drunk on their own power, and growing stronger by the day. With her life crumbling around her, Lara McInnis is reluctantly roped into channeling her psychic talents to locate a missing teen. Her lack of skill strands her in the murky underbelly of a world inhabited by dark forces. Trevor Denoble's Celtic blood yields unexpected gifts. After years of uncertainty, Lara is really and truly finally his, and he's determined to keep her by his side. No stranger to violence, more blood

on his hands is a small price to pay to keep the woman he loves safe. Dark Promise: Some choices tear your heart out, but they can never be undone. Lara and Trevor flee Seattle in the wake of rising chaos. Demons converge on what's left of civilization, urging it to implode even faster. Constantly hungry, besieged by dark forces, Lara and Trevor need every resource they've developed as a couple to keep from ripping each other apart. Neither of them trust Lara's half-baked magic, but it's all that stands between survival and certain death for them and their unborn child. The remote location that was supposed to solve all their problems actually made them worse. Rash choices throw Trevor into a confrontation with his deepest fears, but he doesn't back down. Lara's life hangs in the balance, and he'll do anything to get her back.
