Dead Man's Chest is a classic pirate yarn that begins with long John Silver's escape from the merchantman Hispaniola at Peurta Plata and culminates with the American Revolution more than a decade later. It describes in rich detail the unholy alliance formed between this soft-hearted cut-throat, his teenage nephew, David Noble, and the slaver-turned-merchant captain, John Paul Jones to retrieve a king's ransom of Spanish gold and jewels from Dead Man's Chest; the other two-thirds of the treasure described in Stevenson's novel, and the inspiration for the sailor's ballad by the same name. Dead Man's Chest explains how the Scottish fugitive John Paul Jones earned a naval commission. More importantly, the novel illuminates a hitherto unknown thirty-month period in John Paul's career. From November 1773 when he killed a mutineer to June 1775 when he received his naval commission in Philadelphia from Thomas Jefferson. Learn how the contract that he and John Silver made with the American founding fathers impacted the lives of the Colonists and ultimately helped win America's freedom from Mother England.

A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not

so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.

"River of Fire is Sister Helen's story leading up to her acclaimed book *Dead Man Walking*--it is thought-provoking, informative, and inspiring. Read it and it will set your heart ablaze!"--Mark Shriver, author of *Pilgrimage: My Search for the Real Pope Francis* The nation's foremost leader in efforts to abolish the death penalty shares the story of her growth as a spiritual leader, speaks out about the challenges of the Catholic Church, and shows that joy and religion are not mutually exclusive. Sister Helen Prejean's work as an activist nun, campaigning to educate Americans about the inhumanity of the death penalty, is known to millions worldwide. Less widely known is the evolution of her spiritual journey from praying for God to solve the world's problems to engaging full-tilt in working to transform societal injustices. Sister Helen grew up in a well-off Baton Rouge family that still employed black servants. She joined the Sisters of St. Joseph at the age of eighteen and was in her forties when she had an awakening that her life's work was to immerse herself in the struggle of poor people forced to live on the margins of society. Sister Helen writes about the relationships with friends, fellow nuns, and mentors who have shaped her over the years. In this honest and fiercely open account, she writes about her close friendship with a priest, intent on marrying her, that challenged her vocation in the "new territory of the heart." The final page of *River of Fire* ends with the opening page of *Dead Man Walking*, when she was first invited to correspond with a man on Louisiana's death row. *River of Fire* is a book for anyone interested in journeys of faith and spirituality, doubt and belief, and "catching on fire" to purpose and passion. It is a book, written in accessible, luminous prose, about how to live a spiritual life that is wide awake to the sufferings and creative opportunities of our world. "Prejean chronicles the compelling, sometimes-difficult journey to the heart of her soul and faith with wit, honesty, and intelligence. A refreshingly intimate memoir of a life in faith."--Kirkus Reviews

He'd flown in from Texas to bury his sister, who supposedly committed suicide on the island, though he suspects she was murdered. When a connection between her death, Phil's disappeared friend, and more fatalities are revealed, the two ex-lovers reluctantly collaborate. "Verena Mahlow's *Island of Dead Gods* combines a meticulously constructed international thriller with her extensive personal exploration of Ibiza, long a magnet for bohemians, speculators and sybarites of all nationalities. Mahlow's intelligently devised, twisting plot includes much local color-cuisine, ancient sites, modern ambience-and diverse characters, an arcane coterie of goddess-worshipping proto-feminists and men treating themselves to easy, sleazy sex. Mahlow deftly moves these players toward an unexpected, explosive climax." Barbara Bamberger Scott, *A Woman's Write*

In 1982, Sister Helen Prejean became the spiritual advisor to Patrick Sonnier, the convicted killer of two teenagers who was sentenced to die in the electric chair of Louisiana's Angola State Prison. In the months before Sonnier's death, the Roman Catholic nun came to know a man who was as terrified as he had once been terrifying. She also came to know the families of the victims and the men whose job it was to execute—men who often harbored doubts about the rightness of what they were doing. Out of that dreadful intimacy comes a profoundly moving spiritual journey through our system of capital punishment. Here Sister Helen confronts both the plight of the condemned and the rage of the bereaved, the fears of a society shattered by violence and the Christian imperative of love. On its original publication in 1993, Dead Man Walking emerged as an unprecedented look at the human consequences of the death penalty. Now, some two decades later, this story—which has inspired a film, a stage play, an opera and a musical album—is more gut-wrenching than ever, stirring deep and life-changing reflection in all who encounter it.

At nightfall on June 22, 1965, a soldier walked in from the outskirts of a small town in the Dominican Republic and reported that he had just shot and killed two policemen and an outspoken Canadian Catholic priest. It was the opening scene in a mystery that, forty years later, compels J.B. MacKinnon, a nephew of the murdered missionary, to investigate what many believe was a carefully plotted assassination. MacKinnon's search takes him to corners of the country that are far from the paradise seen by millions of tourist visitors. He meets with former revolutionaries, shadowy generals who live in hiding and the struggling Dominicans for whom the dead priest is a martyr, perhaps even a saint. Dead Man in Paradise is a true story with the suspense of a classic mystery novel, the immediacy of reportage and the insight of a travelogue. More than any of these, it is a personal examination of one of the gravest challenges of our times: finding a balance between our longing to hold the guilty to account for their crimes and the deep human need to forgive.
