In Earth Magic, Steven Farmer offers a unique synthesis of ancient spiritual practices and philosophies that have proven over millennia to help heal the spiritual causes of physical and emotional illnesses, augment personal power, enhance manifestation abilities, and encourage a balanced and harmonious relationship with our Earth. Although the foundation for Earth Magic is universal shamanic wisdom, you don't need to have an interest in shamanism to benefit from its contents, as it expands beyond this topic to incorporate processes that are useful for all those with the sincere intention to heal themselves, others, and our planet.

After the publication of his best-selling book *Power Animals*, many people inquired about the meaning of spirit animals that were not contained in that work. In *Animal Spirit Guides*, Dr. Farmer provides concise, relevant details about the significance of more than 200 animals that may come to you in physical or symbolic form as guides and teachers. With each animal listed, you'll find general meanings of the visitation; practical ways that they can help you as spirit guides; and how, as your power animal, they reflect characteristics that you possess. You'll also find a "whom-to-call-on" section that will tell you which animal spirit guide to call on for any specific purpose.
