The Supernatural Worldview is a book of Christian apologetics from an apocalyptic perspective. Many supernatural and paranormal phenomena are examined with biblical discernment and some of the usual evangelical answers are found wanting. Even so, cautiousness is encouraged and an ominous trumpet sounded in light of prophetic predictions.

Reveals the Nazi-Reptilian infiltration of the U.S. government, their secret space program, and their slave colonies throughout the solar system • Details “Operation Paperclip,” which enabled Nazis and their Reptilian partners to infiltrate the U.S. military-industrial complex, including NASA and the CIA • Reveals their interstellar space ports in Antarctica and on Mars, their base on the Moon, and their alien technologies, including nano-technology, antigravity propulsion, mass mind control, and hyperdimensional teleportation capabilities • Shares testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, revealing advanced human technology and our Space Armada that constitutes a counter-balance to the Nazi Dark Fleet The Nazis did not really lose World War II. They made it appear that way in order to divert attention from the alliance between the Fourth Reich and the race of aliens known as the Reptilians--an ancient galactic civilization obsessed with conquest and domination. After the German surrender in 1945, the Nazi-Reptilian alliance infiltrated the U.S. military-industrial complex. Through “Operation Paperclip,” the Nazis and Reptilians removed their political opponents, such as the Kennedys, and moved into policy-making positions in post-war America, infiltrating aerospace companies, banking, media, and the U.S. government, including NASA and the CIA. But their real target was not the United States--it was the solar system. As Len Kasten reveals in startling detail--including revelations of antigravity propulsion technology, alien techniques of mass mind control, and hyperdimensional teleportation capabilities--the Nazi-Reptilian alliance used their newfound power, wealth, and influence to launch a Secret Space Program with interstellar spaceports in Antarctica and on Mars as well as an eleven-story base of operations on the Moon. They commenced mining and manufacturing operations on Mars and Ceres, forming colonies there and elsewhere in the solar system. And, most shocking, they have used thousands of human slaves, easily transported in their spaceships, for both work and sexual exploitation. Sharing testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, Kasten reveals the various forces inside and outside government that are resisting the Nazis and thwarting Reptilian attempts to achieve total dominance of the planet and the solar system. The U.S.-led Secret Space Program has its own fleet of spaceships, the Solar Warden Space Armada, which patrols the edges of the solar system and poses a growing threat to the Nazi Dark Fleet.

Argues that secret societies are behind the major events of twentieth century and seeks to expose these hidden groups and their agendas.

history flows without interruption and doomsday scenarios fail, the following generations focus on their own contemporary events, ignoring or underestimating the past. In this way people always see "signs" in their times and the end of the world is constantly a fresh subject.

Pandemic. Shutdowns. Riots. Political unrest. Vaccinations. The Mark of the Beast. The sleeping Church. How are all these things connected? The modern world has seen unparalleled challenges, circumstances, and travesties. Between the global pandemic of COVID-19, ensuing shutdowns, riots, economic strains, unprecedented political upset, and even cosmic disturbances and natural disasters, some with a biblical worldview cite prophetic implications as the source of current difficulties, while others stated that 2020 was a uniquely difficult year. However, are greater strands at work beneath the surface of the population's difficulty? Are these hardships all components within a larger, satanic plot? If so, surely the Church will identify this malevolence and intervene on behalf of humanity, right? Won't they? In *Dark Covenant*, you will learn: \*How the progression of media entertainment proves that mankind is headed for unspeakable travesty\* The methods by which the puppet-masters controlling the public narrative manipulate and shape the masses' worldview \*How society is being gradually groomed to embrace the unthinkable in preparation for the enforcement of the Mark of the Beast\* The means by which society conditions our children's thinking and behavioral patterns from the earliest ages \*Why the COVID-19 shutdowns and stay-at-home orders served as a catalyst to polarize and divide the population, and what the riots of 2020 were really about\* How the Body of Christ is being slowly positioned to be considered a public enemy, with the Bible labeled as hate speech and possibly soon prohibited \*That much of the Church has been lulled into impotence over the preceding decades and is now largely unable to be a force for good in our troubled world\* How Western Christianity has become a cult (shocking, yes?) \*The methods by which the organized populace (both secular and religious) is being conditioned to drive the real Church underground\* How the Body of Christ can (and will!) survive the modern assault on Christianity and what true believers can do about it!

It's been assumed for centuries that a prerequisite for the coming of Antichrist would be a "revived" world order--an umbrella under which national boundaries dissolve and ethnic groups, ideologies, religions, and economics from around the world orchestrate a single and dominant sovereignty. At the head of the utopian administration, a single personality will surface. He will appear to be a man of distinguished character, but will ultimately become "a king of fierce countenance" (Daniel 8:23). With imperious decree, he will facilitate a One-World Government, universal religion, and global socialism. Those who refuse his New World Order will inevitably be imprisoned or destroyed until at last he exalts himself "above all that is called God, or that is worshiped, so that he, as God, sitteth in the temple of God, showing himself that he is God" (2 Thessalonians 2:4). Bible prophecy depicts this coming tyrant as the deadliest in human history. He will try to carry out a satanic "Final Solution" to inflict genocide far beyond that done through Adolf Hitler's plan by the same name. And this soon-to-come era is closer than many can imagine, yet most don't comprehend the events that lie just ahead.

Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas, and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children, talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of "the other place"—a place where no one wants to go. Following the release of their first three international bestsellers--Petrus Romanus, Exo-Vaticana, and On the Path of the Immortals--Thomas Horn and Cris Putnam were swamped with interview requests from radio, television, and print media outlets around the world. When they accurately predicted the resignation of Pope Benedict XVI one full year in advance, even naming the precise time he would step down, global shockwaves raised compelling questions regarding why the Vatican has an advanced telescope set atop Mt. Graham in Arizona where the Jesuits admit they are monitoring "something" approaching Earth. After the authors' second report was published in Exo-Vaticana, the pope's top astronomer took to the airwaves in an attempt to explain the role he and other church astronomers are playing in regard to the LUCIFER device, as well as their developing doctrines concerning extraterrestrial life and the impact it may soon have on Earth's religions (Christianity in particular). Then, in the third book by Horn and Putnam, the authors set out with cameras and field investigators to unearth their most astonishing discovery yet: Mt. Graham is a "portal"--the Native Americans who fought the Vatican and NASA told them--a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. Even then, they had no idea what secrets the Vatican was shielding until now...FOR THEIR LAST ENTRY INTO THE 4-YEAR INVESTIGATION REVEALS: Tom Horn's greatest prediction yet (this will shake the foundations

If you think Jezebel is strong, meet the spirit of Athaliah and Leviathan. Job said, "Lay your hand on him (Leviathan); Remember the battle; you will not do it again!"Take a journey with Tekoa as she uncovers the hidden mysteries of Leviathan, Jezebel, and Athaliah. Manning's style of writing brings sound, emotion, and a front row seat as her readers are right there with David, as he pants for water like a deer trying to cover his scent from his enemies. Listen to the thump, thump, ba-boom, as his heart, beats in his skull while hiding from Saul and an army of thousands. This massive beast, Leviathan, has one desire, and that is to kill the anointed and chosen of God before they can complete their assignments. Many of Adonai's Prophets experience this thrashing sea serpent. If you or your ministry have been under significant attacks and great difficulties, if your words and deeds have been twisted and people are forming together to destroy you, this book is a must. Can you feel and sense the spirits working through people around you? Is there a dragon breathing on your neck? Do you feel hatred, envy, slander, and a murdering spirit from those who used to honor you? Perhaps even your own family? How does one battle a spirit of such massive strength? Why does Adonai allow this powerful spirit to toss one about like a turbulent typhoon? Mrs. Manning answers these questions and more.

In every generation, when dangers gather, there is a group of men and women courageous enough to confront evil and inform the populace. Sometimes unpleasant truths need to be presented; most of us would rather stand back and kick a toe in the dirt. You know, let someone else do it. Someone else is courageous enough to tell us the truth. Tom Horn & Friends research, publish, and speak about some of the most important topics of our time. Pandemonium's Engine is the vehicle through which Tom and an elite team of commentators are informing a still-sleeping public about radical changes coming to our culture...very soon. In particular, the technological advances that have brought us to the doorstep of life-altering realities are such that the man-on-the-street is struggling to make sense of our world. The book you are about to read is a landmark offering, making such issues as "transhumanism" compelling reading. A shadowy world of intrigue, power-grabs, and seismic changes in daily life is the stuff of sci-fi movies. Yet the authors contributing to Pandemonium's Engine show us in disturbing detail that these mind-blowing technologies are quite real. For example, Cris D. Putnam writes in "Christian Transhumanism: Pandemonium's Latest Ploy": "Transhumanism is a transnational technocratic trend that promises to break through human biological limitations by radically redesigning humanity." Sound like a campy Star Trek episode, or a

movie plot from Stanley Kubrick? As a matter of fact, they are, but rooted in present reality. Change agents in our world are working feverishly to harness the powers of human ingenuity, to wreak havoc on our way of life. Chuck Missler writes in "Pandora's Box for the 21st Century? The Sorcerer's Apprentice" that the seductiveness of medical advances mask a diabolical agenda. For example, he mentions that the drive to, among other things, develop receptors that could impinge the constriction of blood vessels and thus the scourge of hypertension is a source of optimism. As are drugs that inhibit damage from brain trauma, or genetic research that could cure diabetes. But Chuck knows that some researchers would trample over ethical boundaries and move past such positive research into frontiers humans were not meant to go. Frederick Meekins' chapter, "Examples of Transhumanism in Popular Culture" identifies how we have been brought along to accept technologies. We've been conditioned, by popular television series like Star Trek, and films like Spiderman, to subtly be prepared for radical, sweeping tampering with the human mind and body. John McTernan writes about "embodied intelligence" robots, biocomputers, and other space-age technologies many of us have made the mistake of believing lie in the realm of fiction. Providing perspective is Noah Hutchings, who traces advances in technology from the time of another Noah, to the present time. All these authors, and several more, provide a searing report on just how ambitious the builders of the New Babel really are. Pandemonium's Engine will stun you. That's good. You need to wake up. History shows that those who make reasonable preparations are much better equipped to deal with colossal changes than those who prefer to fully trust their handlers. I well remember the days when my uncle was on the ground floor of computer technology, tinkering with those machines the size of refrigerators. I remember reading George Orwell's 1984 and laughing that such a far-in-the-future could actually arrive. We are well past 1984, figuratively and literally. Pandemonium's Engine will show you just how far past. Read and prepare.

Even in churches and movements founded on the truths of the Bible, man-centered approaches have often quickly eclipsed the simple power of the Gospel. The result is spiritual infertility and weariness in religion. The burnout and ineffectiveness of most evangelical churches is proof enough of the problem. J.D. Greear's new book, simply titled Gospel, cuts through the superficiality of religion and reacquaints readers with the revolutionary truth of the Gospel. If we can ever just grasp what the Gospel shows us about God, that will lead us from a life of self-involvement to one of joy, freedom, love, and radical generosity. We are freed from meaninglessness and selfishness by the beautiful truth about Jesus. Most effectively, Greear anchors the mission and theology within the writing here with a disciplined daily "gospel prayer" he wrote celebrating God's faithfulness, presence, love, and promise. It begins to give readers an applicable, exciting vision of how God might use them to bring His healing to this world.

In the year 1620, the Mayflower set sail from Plymouth, England carrying more than a hundred hopeful, determined, and God-fearing individuals into an unknown future. Setting their minds on the promises of God and their faith in Him, they ventured into the unfamiliar as they placed their lives and those of their children in His hands. Little did they know that despite many hardships they would build the most powerful, inventive, industrial, and free nation that had ever existed to this point in history. For many, the nation was founded on God. The fabric that held the country together was woven with the blood, sweat, tears, fortitude, and faith of a generation who set their resolve and trust in the God of the Bible--and never looked back. America the Beautiful. The Strong. The United. The Innovative. The Independent. America, the "One Nation Under God." So, what happened? As a godless and seemingly aimless America faces decline unparalleled to any deterioration that previous generations could have ever foreseen, many now look around in astonishment and wonder what changed. Can America return to its glory days? If so, how? Join Thomas Horn, Christina

The return of the Watchers and the mysterious, worldwide connection between these angelic NEPHILIM creators and the numbers 33, 2012, and 2016. Internationally acclaimed investigative author Thomas Horn uncovers what you can expect to unfold in the coming days, and, more importantly, what you can do to be prepared for the arrival of the kingdom of Antichrist. As the world races toward its momentous end-times encounter between good and evil (known in the Bible as Armageddon), a deepening antagonism is developing worldwide against conservative Christians. According to a 2014 Pew Research Center report this hostility now includes the United States, which elevated from the lowest category of government restrictions on Christian expressions as of mid-2009 to an advanced category in only the last three years. This trend may point to one of the most overlooked aspects of Bible prophecy--a war that ultimately pits born-again believers against religious Christians. The inspired texts themselves say a time is coming when "whosoever killeth you [true Christians] will think that he doeth God service." In Matthew 24:9, Jesus further warned: "Then shall they deliver you up to be afflicted, and shall kill you," and in the book of Revelation it describes this era as when Antichrist will have power "to make war with the saints, and to overcome them..." (Rev. 13:7; Dan. 7:21). All this unfolds as a False Prophet emerges--a final global superchurch leader that causes "as many as would not worship the image of the beast should be killed" (Rev. 13:15).

The History of the Church or company of those who by faith have received Christ and become His followers, is still in the making, not yet complete. On this account and because of its immense extent, although it is of supreme importance, parts only of it can be written and from time to time. First one, then another, must relate what he has seen or has learned from trustworthy records, and this must be taken up and added to as stage after stage of the long pilgrimage is traversed. The following pages are a contribution to the unfolding story. Over the last few decades, celebrated theorists and philosophers have increasingly contemplated the future of humanity through a predictive lens—the meaning and purpose of our existence in light of the Bible's end-times narrative. Is it possible that ancient prophets actually foresaw how the world would come to an end and how final salvation—including judgment of the nations—would precisely transpire? In this wide-ranging and authoritative work, recognized

One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring. Rabbinical authorities, Septuagint translators and early church fathers understood this as a factual record of history. The phenomenon began with the "Watchers" who spawned "Nephilim" resulting in judgment from God. The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed. Is this prophecy about to be fulfilled? Is man, in his rush to play god through biological weapons, biotechnology, and genetic manipulation, opening gateways to a supernatural unknown? Nephilim Stargates and the Return of the Watchers is a glimpse into this past, present, and future phenomena, with an eye on what sages and scientists believe and what futurists and prophets may fear. The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood. Many cultures also claim that someday the world will again be destroyed in a similar fashion. In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event. He said that there would indeed be a sign. Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age. The Bible has only a few verses about Noah's Flood. So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy. But Noah's days did not end with the flood, he lived for many years afterward. He saw the creation of a tower in Babylon. This is interesting because the Freemasons claim that their Order originated here. Here is the most thorough examination of Freemasonry ever undertaken, using their own texts, to solve the Days of Noah prophecy.

In this fascinating new book you will discover the truth about UFOs, aliens, and alien disclosure from a biblical perspective. The incredible truth behind 666 the number of the Beast and the second enigmatic figure in the book of Revelation, the False Prophet.

The events of 1978 saw the death of Pope Paul VI, the election and unexpected death of John Paul I, and finally the election of John Paul II. Three Popes in one year propelled the world like a runaway train toward the conclusion of a prophecy given by St. Malachy in 1139. The prophecy lists 112 Popes. The last Pope would take the seat of Saint Peter and the world would fall into anarchy. John Paul II was the 110th Pope. The Pope ruling the Holy See today is Benedict XVI, the 111th Pope, and according to the prophecy, the last Pope to rule an intact church and functioning world. The next Pope will not be the Vicar of Christ. He will be the enemy of the church, usurper of the throne and he will be called "Peter of Rome."

"In 'The Islamic Antichrist', Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away. His book will stun readers unaware of the similarities between the Antichrist and the "Islamic Jesus." His research on the relationship between Christian end-time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come. This is the book to read to understand Islam's potential role in fulfilling the prophecies of the Bible" --Cover, p. 2.

This is a non-fiction book that deals with the vastly overlooked prophecy concerning Elam in Jeremiah 49:34-39. This prophecy appears to be dealing with a disaster that occurs in Iran. It may involve an attack upon Iran's nuclear program.

"The dawn of techno-dimensional spiritual warfare."

For more than 800 years scholars have pointed to the dark augury having to do with "the last Pope." The prophecy, taken from St. Malachy's "Prophecy of the Popes," is among a list of verses predicting each of the Roman Catholic popes from Pope Celestine II to the final pope, "Peter the Roman," whose reign would end in the destruction of Rome. First published in 1595, the prophecies were attributed to St. Malachy by a Benedictine historian named Arnold de Wyon, who recorded them in his book, *Lignum Vitæ*. Tradition holds that Malachy had been called to Rome by Pope Innocent II, and while there, he experienced the vision of the future popes, including the last one, which he wrote down in a series of cryptic phrases. According to the prophecy, the next pope (following Benedict XVI) is to be the final pontiff, Petrus Romanus or Peter the Roman. The idea by some Catholics that the next pope on St. Malachy's list heralds the beginning of "great apostasy" followed by "great tribulation" sets the stage for the imminent unfolding of apocalyptic events, something many non-Catholics would agree with. This would give rise to a false prophet, who according to the book of Revelation leads the world's religious communities into embracing a political leader known as Antichrist. In recent history, several Catholic priests—some deceased now—have been surprisingly outspoken on what they have seen as this inevitable danger rising from within the ranks of Catholicism as a result of secret satanic "Illuminati-Masonic" influences. These priests claim secret knowledge of an multinational power elite and occult hierarchy operating behind supernatural and global political machinations. Among this secret society are sinister false Catholic infiltrators who understand that, as the Roman Catholic Church represents one-sixth of the world's population and over half of all Christians, it is indispensable for controlling future global elements in matters of church and state and the fulfillment of a diabolical plan they call "Alta Vendetta," which is set to assume control of the papacy and to help the False

Prophet deceive the world's faithful (including Catholics) into worshipping Antichrist. As stated by Dr. Michael Lake on the front cover, Catholic and evangelical scholars have dreaded this moment for centuries. Unfortunately, as readers will learn, time for avoiding Peter the Roman just ran out.

Following the release of their international best-seller, *Exo-Vaticana*, Thomas Horn and Cris Putnam were inundated with requests from around the world to be interviewed on radio, television, and in print media. What they discovered sent shockwaves through Christianity concerning the Vatican's advanced telescope, which sits on top of Mt. Graham in Arizona (USA) where the Jesuits admit they are monitoring "something" approaching the earth. After the author's initial report was published in *Exo-Vaticana*, the pope's top astronomer took to the airwaves and on the Vatican Observatory website to try and explain the role that he and other church astronomers are playing with regards to emerging "ET Friendly" theology, their association with the LUCIFER device at Mt. Graham, and their developing doctrines concerning extraterrestrial life and the impact it may have on planet Earth's religions; Christianity in particular. Now, armed with fresh information from the native peoples (that failed before a federal appeals court to stop the construction of the Vatican's observatory on one of their four holiest mountains), the authors set out with cameras and field investigators to unearth their most astonishing discovery yet. The mountain is said to be a portal, a gateway to another dimension. And, as the Vatican knows and the authors uncovered, it is not the only one. NOW, FOR THE FIRST TIME, ON THE PATH OF THE IMMORTALS REVEALS...

In *On the Path of the Immortals*, internationally acclaimed, investigative authors Thomas Horn and Cris Putnam continue the greatest investigation of our time by exposing the facts kept hidden from the public by elitists and intellectuals who are planning mankind's assimilation under a coming "savior," one whom the prophet Daniel foresaw as "an alien god."

In his #1 New York Times bestseller *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah explored the book of Revelation through the lens of its major players. Now, in the much-anticipated follow-up, *Agents of Babylon*, Dr. Jeremiah examines prophecy through the eyes of the characters in the book of Daniel, explains what the prophecies mean, and helps us understand how these prophetic visions and dreams apply to our lives today. to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy—a woman who rides the beast. Who is this woman? Tradition says she is connected with the church of Rome. But isn't such a view outdated? After all, today's Vatican is eager to join hands with Protestants worldwide. The power at work behind global affairs and why current planetary powers are hurriedly aligning for a New Order from Chaos is exposed. Perhaps most incredibly, one learns how ancient prophets actually foresaw and forewarned of this time.

In 1974 Jim and Tammy Bakker launched their television show, the PTL Club, from a former furniture store in Charlotte, N.C. with half a dozen friends. By 1987 they stood at the center of a ministry empire that included their own satellite network, a 2300-acre theme park visited by six million people a year, and millions of adoring fans. The Bakkers led a life of conspicuous consumption perfectly aligned with the prosperity gospel they preached. They bought vacation homes, traveled first-class with an entourage and proclaimed that God wanted everyone to be healthy and wealthy. When it all fell apart, after revelations of a sex scandal and massive financial mismanagement, all of America watched more than two years of federal investigation and trial as Jim was eventually convicted on 24 counts of fraud and conspiracy. He would go on to serve five years in federal prison. PTL is more than just the spectacular story of the rise and fall of the Bakkers, John Wigger traces their lives from humble beginnings to wealth, fame, and eventual disgrace. At its core, PTL is the story of a group of people committed to religious innovation, who pushed the boundaries of evangelical religion's engagement with American culture. Drawing on trial transcripts, videotapes, newspaper articles, and interviews with key insiders, dissidents, and lawyers, Wigger reveals the power of religion to redirect American culture. This is the story of a grand vision gone wrong, of the power of big religion in American life and its limits.

Although microchip implantation might be introduced as a voluntary procedure, in time, there will be pressure to make it mandatory. A national identification system via microchip implants could be achieved in two stages. Upon introduction as a voluntary system, the microchip implantation will appear to be palatable. After there is a familiarity with the procedure and a knowledge of its benefits, implantation would be mandatory.

--Dr. Elaine M. Ramesh, patent attorney for Franklin Pierce Law Center Most people today are familiar with radio-frequency identification (rfid) technology that is increasingly expanding within public and private firms as a method for verifying and tracking inventory and people. Yet how many know a plan exists for widespread adoption of human microchipping beginning in the year 2017? While testimony has been given that safeguards are in place to ensure privacy in connection with implantable biometric

Identification, some believe confidentiality is the last thing internal radio transmitters will protect--that in fact the plan to microchip humanity smacks of the biblical mark of the Beast . Has an end-times spirit indeed been pushing for adoption of this technology this generation? Students of eschatology (the study of end-times events) find it increasingly difficult to dismiss how this all looks and feels like movement toward fulfilling Revelation 13:16-17: "And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name." Now, as newer versions of rfid-like transmitters become even more sophisticated--adding other "prophetic" components such as merging human biological matter with transistors to create living, implantable machines, the authors of this book--a former police detective and a bestselling prophecy writer--have come to believe the possibility that the mark of the Beast will arrive through a version of this technology is substantial.

The Bible, as we hold it today, is esteemed by many religious institutions and especially Conservative Christians to be the inspired, inerrant Word of God. This doctrinal position affirms that the Bible is unlike all other books or collections of works in that it is free of error due to having been "given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works" (2 Tim. 3:16, 17). While no other text can claim this same unique authority, Apocryphal and Pseudepigraphal literature such as contained in this volume of The Researchers Library of Ancient Texts (Volume One—The Apocrypha: Includes the Books of Enoch, Jasher, and Jubilees), provides literature that often precedes or follows the chronology of biblical texts, which frequently are used or assigned as supplemental works within academic settings to help students and scholars discover or better understand cultural and historical context within the Word of God. Whether or not the information contained in the apocryphal literature is entirely precise—as is the canon of Scripture—these ancient texts provide commentators' valuable insight into what many ancient Jews and early Christians believed when, "God, who at sundry times and in divers manners spake in time past unto the fathers by the prophets" (Heb. 1:1). The Researchers Library of Ancient Texts is therefore intended to be a supplemental resource for assisting serious researchers and students in the study of the Bible and Bible times. Contained in this volume: The Book of Enoch, The Book of Jasher, The Book of Jubilees, 1 Esdras, 2 Esdras, 1 Maccabees, 2 Maccabees, Tobias, Judith, Wisdom, Sirach, Baruch, Susanna, Prayer of Azariah, Prayer of Manasseh, Bel and the Dragon, and Laodiceans.

In this indispensable reference tool for parents, students, and pastors alike, Larson analyzes dozens of world religions and spiritual movements from Islam to UFOs, New Age movements to witchcraft. This volume helps address tough questions from a biblical perspective.

prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. FEATURES AND BENEFITS: Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts
