A former word pun champion's funny, erudite, and provocative exploration of puns, the people who make them, and this derided wordplay's remarkable impact on history. The pun is commonly dismissed as the lowest form of wit, and punsters are often unpopular for their obsessive wordplay. But such attitudes are relatively recent developments. In *The Pun Also Rises*, John Pollack—a former World Pun Champion and presidential speechwriter for Bill Clinton—explains why such wordplay is significant: It both revolutionized language and played a pivotal role in making the modern world possible. Skillfully weaving together stories and evidence from history, brain science, pop culture, literature, anthropology, and humor, *The Pun Also Rises* is an authoritative yet playful exploration of a practice that is common, in one form or another, to virtually every language on earth. At once entertaining and educational, this engaging book answers fundamental questions: Just what is a pun, and why do people make them? How did punning impact the development of human language, and how did that drive creativity and progress? And why, after centuries of decline, does the pun still matter?

In this celebrated memoir and exploration of identity, cancer transforms the author's face, childhood, and the rest of her life. At age nine, Lucy Grealy was diagnosed with a potentially terminal cancer. When she returned to school with a third of her jaw removed, she faced the cruel taunts of classmates. It took her twenty years of living with a distorted self-image and more than thirty years of reconstructive procedures before she could come to terms with her appearance. In this lyrical and strikingly candid memoir, Grealy tells her story of great suffering and remarkable strength without sentimentality and with considerable wit. She captures what it is like as a child and a young adult to be torn between two warring impulses: to feel that more than anything else we want to be loved for who we are, while wishing desperately and secretly to be perfect. A New York Times Notable Book "This is a young woman's first book, the story of her own life, and both book and life are unforgettable." —New York Times "Engaging and engrossing, a story of grace as well as cruelty, and a demonstration of [Grealy's] own wit and style and class."—Washington Post Book World 'A roaring tale ... remains as vivid and exciting today as it was on publication in 1697' Guardian The pirate and adventurer William Dampier circumnavigated the globe three times, and took notes wherever he went. This is his frank, vivid account of his buccaneering sea voyages around the world, from the Caribbean to the Pacific and East Indies. Filled with accounts

Eleven-year-old Charlie Reese has been making the same secret wish every day since fourth grade. She even has a list of all the ways there are to make the wish, such as cutting off the pointed end of a slice of pie and wishing on it as she takes the last bite. But when she is sent to the Blue Ridge Mountains of North Carolina to live with family she barely knows, it seems unlikely that her wish will ever come true. That is until she meets Wishbone, a skinny stray dog who captures her heart, and Howard, a neighbor boy who proves surprising in lots of ways. Suddenly Charlie is in serious danger of discovering that what she thought she wanted may not be what she needs at all. From award-winning author Barbara O'Connor comes a middle-grade novel about a girl who, with the help of a true-blue friend, a big-hearted aunt and uncle, and the dog of her dreams, unexpectedly learns the true meaning of family in the least likely of places. This title has Common Core connections.

A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

Canada's beloved comic genius tells his own story for the first time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy ("Rick still owes 15 dollars to the chocolate bar fundraiser" was one of the less brutal items on a typical report) to heights of TV fame, by way of an amazing break as a teenager when his one-man show, "Show Me the Button, I'll Push It. Or, Charles Lynch Must Die," became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's the tale of how little Rick stole a tree from the neighbours that's set to become a new Christmas classic. There's Rick the aspiring

actor—hitting the road as a new young punk in a vanload of hippies and appearing on stage in Shakespeare—and a wealth of behind-scenes revelations about *This Hour Has 22 Minutes*, *Made in Canada*, *Talking to Americans* and the coming of the mega-hit *Rick Mercer Report*. It's a life so packed with incident and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two."

This remarkable anthology introduces the short fiction of fourteen writers, major figures in the literary movements of three generations, who represent a range of class, ethnic, age, and political perspectives. It is filled with "unexpected gems", writes Scarlet Cheng in *Belles Lettres*, including Lin Hai-yin's story of a woman suffering under a feudal system that dominated Old China; Chiang Hsiao-yun's optimistic solutions to problems of the elderly in the rapidly changing Taiwan of the 1980; and in between, a dozen richly diverse stories of aristocrats, comrades, wifes, concubines, children, mothers, sexuality, rape, female initiation, and the tensions between traditional and modern life. "This is not western feminism with an Asian accent", says *Bloomsbury Review*, "but a description of one culture's reality... The woman protagonists survive both despite and because of their existence in a changing Taiwan." This book includes biographical headnotes, an introduction that addresses the literary movements represented, and an extensive bibliography.

group of chapters that integrate such topics as geomorphology, biogeography, environmental change and hydrology within each of the major biomes - forest, savannah, desert, coast, wetland, mountain, Mediterranean and Rift Valley - found in the African continent. Finally there is a section in which various authors look at topical issues concerned with the impact of human activity on the environment. Conservation and development are considered in the light of issues such as soil erosion, desertification, and biodiversity and biodepletion. The authors have produced this integrated physical geography in honour of A.T. Grove as a durable reference work which gives a new perspective on the continent of Africa.
