Have you ever had everything you love snatched from your hands in the blink of an eye? Do you know what it's like to watch helplessly as those you cherish burn to a crisp? Have you ever heard a mournful cry for street justice and then realized that the only person left to heed the call was you? Pearl Baines is a straight Harlem stunna. She and her twin sister, Diamond, are chased by some of the most notorious ballers in New York City. But while their father, ex-gangsta Irish Baines, devotes his life to rehabilitating young thugs, his sexy twin daughters fall hard for the glamour and glitter of strip clubs and street life. Unlike Diamond, though, Pearl is able to shake off the trappings of the hood in search of a better future. After graduating at the top of her class, Pearl becomes an FBI agent and plans to get as far away from the grime of Harlem as possible. But fate is cruel and the streets always get their due. On what should have been the happiest night of her life, Pearl's family perishes in a ball of merciless flames—flames intentionally set on the orders of Mookie Mason, her father's archenemy and the most ruthless gangsta in Harlem. Crazy with grief, Pearl becomes unzipped. Hell-bent on retribution, she prepares for battle in New York's urban jungle. With the help of Menace, an ex-lover who once trampled all over her heart but was deeply loyal to

Irish Baines, Pearl puts her FBI training and tactical skills to work in a murderous mission designed to do what her father wasn't able to: take down Mookie Mason, and his entire crew, one at a time.

FEARED FABLES A dark re-telling of the old tale, where Red Riding Hood isn't so little, and mightn't be so good after all. The villagers call her Red. A moody, atmospheric literary thriller and “a timeless tale of migration” (*The Guardian*), from one of Europe’s biggest-selling authors Despite its Biblical title—which comes from the opening lines of the Book of Exodus—award-winning novelist Tommy Wieringa has crafted perhaps his most timely book yet, as he traces two stories doomed to collide. In one, we follow a group of starving, near-feral Eurasian refugees on a harrowing quest for survival; in the other, we follow Pontus Beg, a policeman from a small border town on the steppe, as he investigates the death of a rabbi, one of the town’s two remaining Jews. What follows is a gripping saga in which the two stories race toward each other, and Beg will be shaken to his core by what each one reveals about man’s dark nature, and the possibility—or impossibility—of his own redemption. A virtual parable for our times, *These Are the Names* offers a suspenseful reading of a crisis that continues to dominate headlines, and simultaneously explores the enduring questions of faith, identity, and what it means to be “home.” Candy Raye Montana gets more than she had bargained for when she signs up with the House of Homicide, the hottest recording label on the east coast, and its CEO “Hurricane” Jackson, a man as talented as he is cruel, who gives her a painful lesson in the price of success. By the author of *G-Spot*. Original. 50,000 first printing.

world. Pen is still in the closet, teaching at her old school, living under the roof of Cara's gentle father, who thinks of her as his daughter's friend. How can she survive widowhood without even daring to claim the word? Over the course of one surreal week of bereavement, she is battered by memories that range from the humiliating, to the exalted, to the erotic, to the funny.
