The mandolin is used in nearly every type of music today so it is a great choice of instrument whether you like jazz, folk, classical, country, bluegrass, rock, blues, Irish or many kinds of world music. Much of this music is available only in standard notation so that is where this book starts; TAB comes later. By learning the basic information presented in this volume, you will be prepared to approach any style. This book introduces the student to the instrument, explaining basics such as tuning and how to hold the instrument. The student is introduced to notes on each string and various left- and right-hand techniques. Chords, scales and arpeggios are introduced and students begin applying their new skills to real world repertoire in a variety of keys. 64 pages with audio.

A Guide to Teaching Practice is the major standard text for all students on initial teacher training courses in the UK. Authoritative yet accessible, it covers the important basic

skills and issues that students need to consider during their practice, such as planning, classroom organization, behaviour management and assessment. The book's focus on the quality of teaching and learning and consideration of the latest regulations and guidelines ensures that it fits comfortably within TTA and OfSTED frameworks. In addition, comprehensively revised and fully updated, this fifth edition features brand new chapters on the foundation stage, legal issues, learning and teaching and using ICT in the classroom, as well as new material on numeracy, literacy, children's rights, progress files and gifted and talented children. This book is the most respected and widely used textbook for initial teacher training courses and will be an essential resource for any student teacher.
