

## Long Days Journey Into Night Eugene Oneill

Seminar paper from the year 2007 in the subject American Studies - Literature, grade: 2,3, RWTH Aachen University (Institut für Anglistik), course: Modern American Drama, 9 entries in the bibliography, language: English, abstract: The two plays Long Day's Journey into Night by Eugene O'Neill and A Streetcar Named Desire by Tennessee Williams can be seen as two of the most successful and respected plays of American Modernism. Besides other similarities, both plays deal, more or less obviously with the consumption of alcohol and - in case of Mary Tyrone in Long Day's Journey into Night - drugs. This paper's matter is to find out what function drinking or the consumption of other drugs have for the characters of the two plays. This question could also be interesting looking at the authors: O'Neill's play has very many parallels to his own life and also Williams admitted that he is to be found in the character of Blanche DuBois to a certain extend." (Limelight). "...essential to any understanding of...O'Neill if only because they demystify him." Arthur Miller, The New York Times Book Review

In 1967, after a session with a psychiatrist she'd never seen before, eighteen-year-old Susanna Kaysen was put in a taxi and sent to McLean Hospital. She spent most of the next two years in the ward for teenage girls in a psychiatric hospital as renowned for its famous clientele—Sylvia Plath, Robert Lowell, James Taylor, and Ray Charles—as for its progressive methods of treating those who could afford its sanctuary. Kaysen's memoir encompasses horror and razor-edged perception while providing vivid portraits of her fellow patients and their keepers. It is a brilliant evocation of a "parallel universe" set within the kaleidoscopically shifting landscape of the late sixties. *Girl, Interrupted* is a clear-sighted, unflinching document that gives lasting and specific dimension to our definitions of sane and insane, mental illness and recovery.

SCENE—The firemen's forecastle of a transatlantic liner an hour after sailing from New York for the voyage across. Tiers of narrow, steel bunks, three deep, on all sides. An entrance in rear. Benches on the floor before the bunks. The room is crowded with men, shouting, cursing, laughing, singing—a confused, inchoate uproar swelling into a sort of unity, a meaning—the bewildered, furious, baffled defiance of a beast in a cage. Nearly all the men are drunk. Many bottles are passed from hand to hand. All are dressed in dungaree pants, heavy ugly shoes. Some wear singlets, but the majority are stripped to the waist.

The first-ever full reckoning with Marvel Comics' interconnected, half-million-page story, a revelatory guide to the "epic of epics"—and to the past sixty years of American culture—from a beloved authority on the subject who read all 27,000+ Marvel superhero comics and lived to tell the tale "Brilliant, eccentric, moving and wholly wonderful. . . . Wolk proves to be the perfect guide for this type of adventure: nimble, learned, funny and sincere. . . . All of the Marvels is magnificently marvelous. Wolk's work will invite many more alliterative superlatives. It deserves them all." —Junot Díaz, New York Times Book Review The superhero comic books that Marvel Comics has published since 1961 are, as Douglas Wolk notes, the longest continuous, self-contained work of fiction ever created: over half a million pages to date, and still growing. The Marvel story is a gigantic mountain smack in the middle of contemporary culture. Thousands of writers and artists have contributed to it. Everyone recognizes its protagonists: Spider-Man, the Avengers, the X-Men. Eighteen of the hundred highest-grossing movies of all time are based on parts of it. Yet not even the people telling the story have read the whole thing—nobody's supposed to. So, of course, that's what Wolk did: he read all 27,000+ comics that make up the Marvel Universe thus far, from Alpha Flight to Omega the Unknown. And then he

## Read Online Long Days Journey Into Night Eugene O'Neill

made sense of it—seeing into the ever-expanding story, in its parts and as a whole, and seeing through it, as a prism through which to view the landscape of American culture. In Wolk's hands, the mammoth Marvel narrative becomes a fun-house-mirror history of the past sixty years, from the atomic night terrors of the Cold War to the technocracy and political division of the present day—a boisterous, tragicomic, magnificently filigreed epic about power and ethics, set in a world transformed by wonders. As a work of cultural exegesis, this is sneakily significant, even a landmark; it's also ludicrously fun. Wolk sees fascinating patterns—the rise and fall of particular cultural aspirations, and of the storytelling modes that conveyed them. He observes the Marvel story's progressive visions and its painful stereotypes, its patches of woeful hackwork and stretches of luminous creativity, and the way it all feeds into a potent cosmology that echoes our deepest hopes and fears. This is a huge treat for Marvel fans, but it's also a revelation for readers who don't know Doctor Strange from Doctor Doom. Here, truly, are all of the marvels.

Specially commissioned essays explore the life and work of Eugene O'Neill from his earliest writings to *Long Day's Journey Into Night*. Presents critical essays which discuss the characters, plot, language, structure, and major themes of the play by one of America's greatest dramatist.

"In the summer of 2015, Ross Douthat was moving his family, with two young daughters and a pregnant wife, from Washington, D.C., to a sprawling farmhouse in a picturesque Connecticut town when he acquired a mysterious and devastating sickness. It left him sleepless, crippled, wracked with pain--a shell of himself. After months of seeing doctors and descending deeper into a physical inferno, he discovered that he had a disease which according to CDC definitions does not actually exist: the chronic form of Lyme disease, a hotly contested condition that devastates the lives of tens of thousands of people but has no official recognition--and no medically approved cure. From a rural dream house that now felt like a prison, Douthat's search for help takes him off the map of official medicine, into territory where cranks and conspiracies abound and patients are forced to take control of their own treatment and experiment on themselves. Slowly, against his instincts and assumptions, he realizes that many of the cranks and weirdos are right, that many supposed "hypochondriacs" are victims of an indifferent medical establishment, and that all kinds of unexpected experiences and revelations lurk beneath the surface of normal existence, in the places underneath"--

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of

## Read Online Long Days Journey Into Night Eugene O'Neill

the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

An exploration of why people all over the world love to engage in pain on purpose--from dominatrices, religious ascetics, and ultramarathoners to ballerinas, icy ocean bathers, and sideshow performers Masochism is sexy, human, reviled, worshipped, and can be delightfully bizarre. Deliberate and consensual pain has been with us for millennia, encompassing everyone from Black Plague flagellants to ballerinas dancing on broken bones to competitive eaters choking down hot peppers while they cry. Masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is about feeling bad, then better—a phenomenon that is long overdue for a heartfelt and hilarious investigation. And Leigh Cowart would know: they are not just a researcher and science writer—they're an inveterate, high-sensation seeking masochist. And they have a few questions: Why do people engage in masochism? What are the benefits and the costs? And what does masochism have to say about the human experience? By participating in many of these activities themselves, and through conversations with psychologists, fellow scientists, and people who seek pain for pleasure, Cowart unveils how our minds and bodies find meaning and relief in pain—a quirk in our programming that drives discipline and innovation even as it threatens to swallow us whole.

No play in the modern theatre has so captured the imagination and heart of the American public as Tennessee Williams's *The Glass Menagerie*. *Menagerie* was Williams's first popular success and launched the brilliant, if somewhat controversial, career of our pre-eminent lyric playwright. Since its premiere in Chicago in 1944, with the legendary Lorraine Taylor in the role of Amanda, the play has been the bravura piece for great actresses from Jessica Tandy to Joanne Woodward, and is studied and performed in classrooms and theatres around the world. *The Glass Menagerie* (in the reading text the author preferred) is now available only in its New Directions Paperback edition. A new introduction by prominent Williams scholar Robert Bray, editor of *The Tennessee Williams Annual Review*, reappraises the play more than half a century after it won the New York Drama Critics Circle Award: "More than fifty years after telling his story of a family whose lives form a triangle of quiet desperation, Williams's mellifluous voice still resonates deeply and universally." This edition of *The Glass Menagerie* also includes Williams's essay on the impact of sudden fame on a struggling writer, "The Catastrophe of Success," as well as a short section of Williams's own "Production Notes." The cover features the classic line drawing by Alvin Lustig, originally done for the 1949 New Directions edition. *Mimetic Disillusion* reevaluates the history of modern U.S. drama in general and the dramatic art of O'Neill and Williams specifically, showing how at mid-century drama in America shifted away from representational theatre, toward a poststructuralist "disillusionment" with mimesis. The book focuses on two major writers of the 1930s and 1940s - Eugene O'Neill and Tennessee

Williams - one whose writing career was just ending and the other whose career was just beginning. In new readings of their major works of this period, *Long Day's Journey into Night*, *The Iceman Cometh*, *The Glass Menagerie*, and *A Streetcar Named Desire*, Fleche develops connections to the writings of Jacques Derrida, Paul de Man, and Michel Foucault, among others, and discusses poststructuralism in the light of such modern writers as Bertolt Brecht, Antonin Artaud, and Walter Benjamin.

Now published for the first time as a trade paperback with a new introduction and the short story on which it was based. Williams wrote: "This is a play about love in its purest terms." It is also Williams's robust and persuasive plea for endurance and resistance in the face of human suffering. The earthy widow Maxine Faulk is proprietress of a rundown hotel at the edge of a Mexican cliff overlooking the Pacific Ocean where the defrocked Rev. Shannon, his tour group of ladies from a West Texas women's college, the self-described New England spinster Hannah Jelkes and her ninety-seven-year-old grandfather, Jonathan Coffin ("the world's oldest living and practicing poet"), a family of grotesque Nazi vacationers, and an iguana tied by its throat to the veranda, all find themselves assembled for a rainy and turbulent night. This is the first trade paperback edition of *The Night of the Iguana* and comes with an Introduction by award-winning playwright Doug Wright, the author's original Foreword, the short story "The Night of the Iguana" which was the germ for the play, plus an essay by noted Tennessee Williams scholar, Kenneth Holditch. "I'm tired of conducting services in praise and worship of a senile delinquent—yeah, that's what I said, I shouted! All your Western theologies, the whole mythology of them, are based on the concept of God as a senile delinquent and, by God, I will not and cannot continue to conduct services in praise and worship of this...this...this angry, petulant old man." —The Rev. T. Lawrence Shannon, from *The Night of the Iguana*

Eugene O'Neill's autobiographical play *Long Day's Journey into Night* is regarded as his masterpiece and a classic of American drama. With this new edition, at last it has the critical edition that it deserves. William Davies King provides students and theater artists with an invaluable guide to the text, including an essay on historical and critical perspectives; glosses of literary allusions and quotations; notes on the performance history; an annotated bibliography; and illustrations. "This is a worthy new edition, one that I'm sure will appeal to many students and teachers. William Davies King provides a thoughtful introduction to *Long Day's Journey into Night*—equally sensitive to the most particular and most encompassing of the play's materials."—Marc Robinson Adam Silvera reminds us that there's no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. New York Times bestseller \* 4 starred reviews \* A School Library Journal Best Book of the Year \* A Kirkus Best Book of the Year \* A Booklist Editors' Choice of 2017 \* A Bustle Best YA Novel of 2017 \* A Paste Magazine Best YA Book of 2017 \* A Book Riot Best Queer Book of 2017 \* A BuzzFeed Best YA Book of the Year \* A BookPage Best YA Book of the Year On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They're going to die today. Mateo and Rufus are total strangers, but, for different reasons, they're both looking to make a new friend on their End Day. The good news: There's an app for that. It's called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day. In the tradition of *Before I Fall* and *If I Stay*, *They Both Die at the End* is a tour de force from acclaimed author Adam Silvera, whose debut, *More Happy Than Not*, the New York Times called "profound."

This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Now a major motion picture from Universal, directed by Terry Gilliam and starring Johnny Depp and Benicio del Toro.

For contents, see Author Catalog.

The American classic—as you’ve never experienced it before. This multimedia edition, edited by William Davies King, offers an interactive guide to O’Neill’s masterpiece. -- Hear rare archival recordings of Eugene O’Neill reading key scenes. -- Discover O’Neill’s creative process through the tiny pencil notes in his original manuscripts and outlines. -- Watch actors wrestle with the play in exclusive rehearsal footage. -- Experience clips from a full production of the play. -- Tour Monte Cristo Cottage, the site of the events in Long Day’s Journey Into Night, and Tao House, where the play was written. -- Delve into O’Neill’s world through photographs, letters, and diary entries. And much, much more in this multimedia eBook.

Through the decades, Theodore Mann has kept Circle in the Square alive by leaping from the precipice of one hit to another, taking on every task from stoking a dilapidated furnace to directing Tony Award-winning productions. In the process Mann has helped restore the reputation of one of our greatest playwrights, Eugene O’Neill, first with a landmark revival of The Iceman Cometh and then with the American premiere of Long Day’s Journey Into Night. Mann’s own long journey has been inextricably linked with O’Neill, and he presents here some extremely significant, previously unreported aspects of the O’Neill saga." "Here is Theodore Mann’s own account of the theatrical and cultural revolution that is Circle in the Square. If you ever wondered how off-Broadway came to be (and how it ever managed to survive), this is the tale to read."--BOOK JACKET. (Blackwell).

A new, affordable paperback edition of one O’Neill’s late masterpieces Eugene O’Neill’s last completed play, A Moon for the Misbegotten is a sequel to his autobiographical Long Day’s Journey Into Night. Moon picks up eleven years after the events described in Long Day’s Journey Into Night, as Jim Tyrone (based on O’Neill’s older brother Jamie) grasps at a last chance at love under the full moonlight. This paperback edition features an insightful introduction by Stephen A. Black, helpful to anyone who desires a deeper understanding of O’Neill’s work.

The value of the editor’s craft to a finished film cannot be underestimated, and it’s no surprise that directors rely heavily on the same editor over and over again. Seventeen exclusive interviews with some of the world’s top film editors, including Walter Murch, Virginia Katz, Joel Cox, Tim Squyres and Richard Marks, explore the art of film editing; its complex processes, the relationship with other film practitioners, and the impact of modern editing techniques. The Filmcraft series is a ground-breaking study of the art of filmmaking—the most collaborative and multidisciplinary of all the arts. Each volume covers a different aspect of moviemaking, offering in-depth interviews with a host of the most distinguished practitioners in the field. Forthcoming titles include Cinematography, Directing, Costume Design, Production Design, Producing, Screenwriting, and Acting.

“A triumphant story for anyone with a shred of faith left in the human spirit.” —David McGlynn, author of One Day You’ll Thank Me What if the end times allowed people to see and build the world anew? This is the landscape that Kimi Eisele creates in her surprising and original debut novel. Evoking the spirit of such monumental love stories as Cold Mountain and the creative vision of novels like Station Eleven, The Lightest Object in the Universe imagines what happens after the global economy collapses and the electrical grid goes down. In this new world,

Carson, on the East Coast, is desperate to find Beatrix, a woman on the West Coast who holds his heart. Working his way along a cross-country railroad line, he encounters lost souls, clever opportunists, and those who believe they'll be saved by an evangelical preacher in the middle of the country. While Carson travels west, Beatrix and her neighbors begin to construct the kind of cooperative community that suggests the end could be, in fact, a bright beginning. Without modern means of communication, will Beatrix and Carson find their way to each other, and what will be left of the old world if they do? The answers may lie with a fifteen-year-old girl who could ultimately decide the fate of the lovers. *The Lightest Object in the Universe* is a moving and hopeful story about resilience and adaptation and a testament to the power of community, where our best traits, born of necessity, can begin to emerge.

A true modern classic from one of the twentieth century's most significant writers, *Long Day's Journey into Night* is an intensely autobiographical, magnificently tragic portrait of the author's own family - a play so acutely personal that he insisted it was not published until after his death. One single day in the Tyrone's Connecticut home. James Tyrone Sr is a miser, a talented actor who even squanders his talent in an undemanding role; eldest son Jamie is an affable, whoremongering alcoholic and confirmed ne'er-do well; youngest son Edmund is poetic, sensitive, suffering from a respiratory condition and deep-seated disillusionment; and their mother Mary, living in a haze of self-delusion and morphine addiction. Existing together under this roof, and the profound weight of the past, they subtly tear one another apart, shred by shred. 'Set in 1912, the year of O'Neill's own attempted suicide, it is an attempt to understand himself and those to whom he was irrevocably tied by fate and by love. It is the finest and most powerful play to have come out of America' Christopher Bigsby Eugene O'Neill's play *Long Day's Journey into Night* was written in 1939-41, and first published in 1956 (after O'Neill's death in 1953). It was first performed at the Royal Dramatic Theatre, Stockholm, in February 1956, and had its first American production at Helen Hayes Theater, New York, in November that year. It won the Tony Award for Best Play, and O'Neill was posthumously awarded the 1957 Pulitzer Prize for Drama. This edition includes a full introduction, biographical sketch and chronology.

Henry David Thoreau built a log cabin in the Concord Forest in Massachusetts in 1845. Thoreau lived there for two years to try out an alternative to the hectic and economically successful everyday life. The reason: He wanted to consciously feel life in harmony with nature again. The minimalist lifestyle should create space and time for the essentials. Thoreau kept a diary about his feelings and experiences during his time in the forest. This book arose from his notes. It deals with his everyday problems, with economic and philosophical considerations, with the feeling of loneliness, with the animals of the forest, with the seasons and with the reading of classical works.

A play about a family of four psychologically disturbed people reveals aspects of the author's own life.

LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

An “absorbing” biography of the playwright and Nobel laureate that “unflinchingly explores the darkness that dominated O’Neill’s life” (Publishers Weekly). This extraordinary biography fully captures the intimacies of Eugene O’Neill’s tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told for the stage interweave with his actual life stories as well as the culture and history of his time. Much is new in this extensively researched book: connections between O’Neill’s plays and his political and philosophical worldview; insights into his Irish American upbringing and lifelong torment over losing faith in God; his vital role in African American cultural history; unpublished photographs, including a unique offstage picture of him with his lover Louise Bryant; new evidence of O’Neill’s desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of *Long Day’s Journey Into Night* in defiance of his explicit instructions. This biography is also the first to discuss O’Neill’s lost play *Exorcism* (a single copy of which was only recently recovered), a dramatization of his own suicide attempt. Written with both a lively informality and a scholar’s strict accuracy, *Eugene O’Neill: A Life in Four Acts* is a biography worthy of America’s foremost playwright. “Fast-paced, highly readable . . . building to a devastating last act.” —Irish Times

This new edition of O’Neill’s unfinished play coincides with the centenary of his birth and includes a substantial amount of material - including an entire scene - that was missing when it was prepared after the playwright’s death, but which, Martha Bower argues, he had intended for inclusion.

THE STORY: Originally produced on Broadway, revived to sellout houses in 1996 starring Al Pacino, *HUGHIE* was one of O’Neill’s last works. It was originally intended as part of a series of short plays, but it became the lone survivor when O’Neill de  
Shortly after the debut of *Exorcism* in 1920, Eugene O’Neill suddenly canceled production and ordered all extant copies of the drama destroyed. For over ninety years, it was believed that the play was irrevocably lost, until it was recently discovered that O’Neill’s second wife had in fact retained a copy, which she later gave to the prolific screenwriter and producer Philip Yordan. In early 2011, Yordan’s widow discovered the typescript of *Exorcism*—complete with edits in O’Neill’s own hand—in her late husband’s vast trove of papers. The discovery and publication of *Exorcism*, a relatively early play in the O’Neill corpus, furthers our knowledge of O’Neill’s dramatic development and reveals a pivotal point in the career of this great American playwright. Revolving around a suicide attempt, *Exorcism* draws on a dark incident in O’Neill’s own life. This defining event led to his first serious efforts to write. *Exorcism* displays early examples of O’Neill’s unparalleled skills of capturing deeply personal human drama, and it explores major themes—mourning and melancholia, addiction and sobriety, tensions between fathers and sons—that would permeate his later work. According to Yale University’s Beinecke Rare Book and Manuscript Library curator Louise Bernard, who acquired the play from a New York bookseller, “*Exorcism* might be read as a preparatory sketch that resonates powerfully with *Long Day’s Journey into Night*, one that brings the O’Neill family drama full circle in ways at once intimate and grandly conceived.”

Seminar paper from the year 2009 in the subject American Studies - Literature, grade: 2,0, University of Tübingen (Englisches Seminar), course: PS I: Introduction to Literary Studies, language: English, abstract: "At the final curtain, there they still are, trapped within each other

## Read Online Long Days Journey Into Night Eugene O'Neill

by the past, each guilty and at the same time innocent, scorning, loving, pitying each other, understanding, and yet not understanding at all, forgiving but still doomed never to be able to forget." (Hinden 36) In this citation written into a letter to a friend, Long Days Journey into Night author Eugene O'Neill gives an insight into his own interpretation of the ending of the play (cf. Hinden 36). There, O'Neill mentions the four protagonists of this play, the members of the family Tyrone, and their imprisonment into a circle of guilt, scorn, and misunderstanding. Nevertheless, there is also the influence of positive emotions like love, understanding, and forgiveness. This term paper will be about one of these terms, namely the term guilt, by which each family member is affected, and the notion of failure in Long Days Journey into Night. In order to discuss these two key terminologies, guilt and failure, there will be a closer look at the family Tyrone, which consists of the father, James Tyrone, the mother, Mary Cavan Tyrone, Jamie, the elder son, and Edmund, the younger son. Finally, there will be the question how the life of each family member is affected by guilt and failure, and how relationships within the family are destroyed by it."

When it was published in 1932, this revolutionary first fiction redefined the art of the novel with its black humor, its nihilism, and its irreverent, explosive writing style, and made Louis-Ferdinand Celine one of France's--and literature's--most important 20th-century writers. The picaresque adventures of Bardamu, the sarcastic and brilliant antihero of Journey to the End of the Night move from the battlefields of World War I (complete with buffoonish officers and cowardly soldiers), to French West Africa, the United States, and back to France in a style of prose that's lyrical, hallucinatory, and hilariously scathing toward nearly everybody and everything. Yet, beneath it all one can detect a gentle core of idealism.

Fourteen dark tales about the tragic qualities of exile feature protagonists who are struggling with marginal lives and private, often ill-fated, quests, in a collection set in the Chilean exile diaspora of Latin America and Europe. Reprint.

Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,3, Ruhr-University of Bochum (Englisches Seminar), course: Eugene O'Neill, language: English, abstract: The Iceman Cometh (published in 1940) and Long Day's Journey into Night (published in 1956 after O'Neill's death) are widely recognized to be two of Eugene O'Neill's best plays. Both belong to his late plays and apart from that bear a lot of similarities. The focus of this paper will be to analyze The Iceman Cometh and Long Day's Journey into Night with special regard to the importance of illusion and reality for both the characters and the progress of the play. Furthermore a comparison will be made between Hickey in The Iceman Cometh and Mary Cavan Tyrone in Long Day's Journey into Night in order to show that they have similar functions in their respective plays. Finally a conclusion will be given which will sum up the argumentation.

The Pulitzer Prize and Drama Critics Circle Award winning play. A Streetcar Named Desire is the tale of a catastrophic confrontation between fantasy and reality, embodied in the characters of Blanche DuBois and Stanley Kowalski. Fading southern belle Blanche DuBois is adrift in the modern world. When she arrives to stay with her sister Stella in a crowded, boisterous corner of New Orleans, her delusions of grandeur bring her into conflict with Stella's crude, brutish husband Stanley Kowalski. Eventually their violent collision course causes Blanche's fragile sense of identity to crumble, threatening to destroy her sanity and her one chance of happiness.
