

Seven Friends

Written by a group of friends, 'Seven Holy Women' is a one-of-a-kind journey into the lives of seven women saints. Each section of the book includes a story from one saint's life, told vividly and imaginatively in the second person; additional information about the saint to give her context; a reflection on ways the writer, reader, and saint intersect on their journeys; personal surveys for the reader and a friend to complete; and a journal prompt that encourages the reader to explore and document her encounter with themes from the saint's life. Created as both a deeply personal and enriching communal experience, 'Seven Holy Women' speaks directly to the reader, drawing her into the lives of seven saints as it invites her to look more closely and lovingly at her own spiritual journey and her friendship with the cloud of witnesses. Your 27th year is a turning point. Kurt Cobain. Amy Winehouse. Janis Joplin. They died at 27. Six friends reunite in London. Dave is made redundant, Renee's marriage is crumbling and Katie is forced to return home to her parents after six years abroad. In a world fuelled by social media and ravaged by recession, the friends must face up to the choices they must make to lead the lives they truly want to live.

This One's for the Guys On the scale of stranger to bromance, where do your friendships land? As guys, we tend to get a bum rap when it comes to our ability to relate to other men. We talk work, sports, and buffalo wings, but struggle to move into meaningful conversation with our friends. Justin Erickson has identified seven kinds of friendships every man needs to thrive and grow as a Christian. Based on the biblical role models of men like David, Paul, and Timothy, these are the relationships that ultimately make you the man that God has called you to be. Delve deeper into the life lessons offered by friendships found in the Bible, and find the kind of men who can enrich your life in a multitude of ways. God made you to be relational. Stop settling for surface-level connections, and learn to build life-changing relationships that last. In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. Twelve

The advent of the holy prophet Muhammad (PBH) was foretold in so many pages of all the previous scriptures. He was finally unveiled by the Almighty God, with a message to all the world (the holy Quran). The holy Quran (as prophesied in the previous scriptures) is the actual word of the Almighty God Allah. It was revealed for the benefit of all mankind: "Blessed is He who sent down the criterion to His servant, that it may be an admonition to all creatures". (Q.25:1). It is complete and comprehensive and in conformity with the prophecy in the previous scriptures. The Almighty Allah says: " Nothing have we omitted from the Book".

(Q.6:38) The message given to the holy prophet Muhammad (PBH) by the Almighty Allah for mankind thus contains a complete code which provides for all areas of life, whether spiritual, intellectual, political, social or economic. It is a code which has no boundaries of time, place or nation. Before Islam, religion was on the authority of its own leaders, and was thus the avowed enemy of reason resulting in making theology to be based on intricate subtleties and credulous admiration of miracles. The holy Quran came and took religion by a new road untrodden by the previous scriptures in fulfillment of Jesus' prophecy. It spoke to the rational mind and alerted the intelligence. It sets out the order in the Universe, the principles and certitudes within it, and required a lively scrutiny of them that the mind might thus be sure of the validity of its claim and message. Even in relation to the narratives of the past, it proceeded on the conviction that the created order follows invariable laws, as the holy Quran says: "Such was the way of God in days gone by and you will find (that) it does not change (Q.48:23). And again, "God does not change people's case until they change their own disposition (Q.13:11). Even in matters of morality, the holy Quran relies on evidence: "Requite evil with good and your worst enemy will become your dearest friend (Q.41:34). Thus for the first time in a revealed scripture, reason finds its brotherly place; and toleration made a corner stone of religion as the holy
