In modern-day England, where witches live alongside humans, Nathan, son of a White witch and the most powerful Black witch, must escape captivity before his seventeenth birthday and receive the gifts that will determine his future.

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer

insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free. Since 1992, Chapman's bestselling book "The Five Love Languages" has helped millions of couples develop stronger, more fulfilling relationships by teaching them to speak each others' love language. Holly couldn't live without her husband Gerry, until the day she had to. They were the kind of young couple who could finish each other's sentences. When Gerry succumbs to a terminal illness and dies, 30-year-old Holly is set adrift, unable to pick up the pieces. A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction.

Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

National Book Award finalist Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a

megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, Geek Love throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

Now a Netflix original movie starring Lana Condor and Noah Centineo! In this highly anticipated sequel to the “lovely, lighthearted” (*School Library Journal*) New York Times bestselling *To All The Boys I've Loved Before*, Lara Jean still

In this charming and heartfelt sequel to the New York Times bestseller *To All the Boys I've Loved Before*, we see first love through the eyes of the unforgettable Lara Jean.
