

The Murder On Links Hercule Poirot 2 Agatha Christie

This first mystery novel by Agatha Christie was well received by reviewers. It was written in the middle of the First World War, in 1916. An analysis in 1990 was positive about the plot, considered the novel one of the few by Christie that is well-anchored in time and place, a story that knows it describes the end of an era, and mentions that the plot is clever. Christie had not mastered cleverness in her first novel, as "too many clues tend to cancel each other out"; this was judged a difficulty "which Conan Doyle never satisfactorily overcame, but which Christie would. Who poisoned the wealthy Emily Inglethorpe, and how did the murderer penetrate and escape from her locked bedroom? Suspects abound in the quaint village of Styles St. Mary--from the heiress's fawning new husband to her two stepsons, her volatile housekeeper, and a pretty nurse who works in a hospital dispensary. Making his unforgettable debut, the brilliant Belgian detective Hercule Poirot is on the case. The key to the success of this style of detective novel, writes Elizabeth George in her Introduction, lies in how the author deals with both the clues and the red herrings, and it has to be said that no one bettered Agatha Christie at this game. Discover the man behind the moustache in this book of one-liners by the world's most famous Belgian detective, revealing the wit and wisdom of Hercule Poirot and his creator, Agatha Christie.

The world's most beloved detective, Hercule Poirot—the legendary star of Agatha Christie's Murder on the Orient Express and most recently The Monogram Murders and Closed Casket—returns in a stylish, diabolically clever mystery set in the London of 1930. "We Agatha Christie fans read her stories--and particularly her Poirot novels--because the mysteries are invariably equal parts charming and ingenious, dark and quirky and utterly engaging. Sophie Hannah had a massive challenge in reviving the beloved Poirot, and she met it with heart and no small amount of little grey cells. I was thrilled to see the Belgian detective in such very, very good hands. Reading The Monogram Murders was like returning to a favorite room of a long-lost home." — Gillian Flynn, author of Gone Girl Hercule Poirot returns home after an agreeable luncheon to find an angry woman waiting to berate him outside his front door. Her name is Sylvia Rule, and she demands to know why Poirot has accused her of the murder of Barnabas Pandy, a man she has neither heard of nor ever met. She is furious to be so accused, and deeply shocked. Poirot is equally shocked, because he too has never heard of any Barnabas Pandy, and he certainly did not send the letter in question. He cannot convince Sylvia Rule of his innocence, however, and she marches away in a rage. Shaken, Poirot goes inside, only to find that he has a visitor waiting for him — a man called John McCrodden who also claims also to have received a letter from Poirot that morning, accusing him of the murder of Barnabas Pandy... Poirot wonders how many more letters of this sort have been sent in his name. Who sent them, and why? More importantly, who is Barnabas Pandy, is he dead, and, if so, was he murdered? And can Poirot find out the answers without putting more lives in danger?

Hercule Poirot is summoned to solve a case involving the murder of a seductive woman accompanying a scientific party investigating the secrets of ancient Babylon

Hercule Poirot observed his fellow passengers on the Orient Express: a Russian princess, an English colonel, an American with a strange glint in his eye and many more. He was looking forward to the journey. But it was not to be. After a restless night, he awoke to find that tragedy had struck.

Here, for the first time in one volume, is the complete collection of fifty stories about Hercule Poirot.

The first three of Agatha Christie's thirty-three celebrated Hercule Poirot novels in one collection. Including The Mysterious Affair at Styles, Murder on the Links and Poirot Investigates.

When Poirot arrives in France, following an urgent appeal for help, he finds he is too late. His client, a South American millionaire, has been stabbed to death and his body flung into a freshly dug open grave on the golf course adjoining the property. Meanwhile the millionaire's wife is found bound and gagged in her room. Her wrists are badly cut and she seems to be in shock, but she agrees to speak to Poirot. She tells him that they were attacked by thugs who tied her up and forced her husband to leave the house, dressed only in his underwear, before brutally killing him. Poirot is not sure whether to believe her story. Did she, as the sole beneficiary of her millionaire husband's estate, set the whole thing up? And if not, who did kill M. Renault? The suspects include the mysterious Dulcie Duveen and Renault's son Jack, who had quarrelled violently with his father. As Poirot investigates, the mystery begins to unfold - but not before another murder occurs... John Moffatt stars as Poirot, with Jeremy Clyde as Captain Hastings, Madeline Smith as Dulcie Duveen and Stephen Tompkinson as Jack.

When Hercule Poirot and his sidekick Arthur Hastings arrive in the French village of Merlinville-sur-Mer to meet their client Paul Renault they learn from Paris police that he has been found that morning stabbed in the back with a letter opener and left in a newly dug grave adjacent to a local golf course. Among the plausible suspects are Renault's wife Eloise, his son Jack, an unknown visitor of the previous day, Renault's immediate neighbor Madame Daubreuil, and the mysterious "Cinderella" of Hasting's recent acquaintance--all of whom Poirot has reason to suspect. Poirot's powers of investigation ultimately triumph over the wiles of an assailant whose misdirection and motives are nearly-but not quite-impossible to spot. Contains a character key, a detailed biography, and an illustrated list of notable Poirot portrayals. Agatha Christie is the "Queen of Mystery" and the world's best-selling mystery writer. But entirely unpredictable is that he can find absolutely no motive for murder....

Belgian detective Hercule Poirot is summoned to France after receiving a distressing letter with a urgent cry for help. The police think they've found the culprit. But Poirot has his doubts. Why is the dead man wearing an overcoat that is too big for him? And who was the impassioned love-letter in the pocket for? Before Poirot can answer these questions, the case is turned upside down by the discovery of a second, identically murdered corpse

Today the names of H. P. Lovecraft, Robert E. Howard, August Derleth, and Clark Ashton Smith, all regular contributors to the pulp magazine Weird Tales during the first half of the twentieth century, are recognizable even to casual readers of the bizarre and fantastic. And yet despite being more popular than them all during the golden era of genre pulp fiction, there is another author whose name and work have fallen into obscurity: Seabury Quinn. Quinn's short stories were featured in well more than half of Weird Tales's original publication run. His most famous character, the supernatural French detective Dr. Jules de Grandin, investigated cases involving monsters, devil worshippers, serial killers, and spirits from beyond the grave, often set in the small town of Harrisonville, New Jersey. In de Grandin there are familiar shades of both Arthur Conan Doyle's Sherlock Holmes and Agatha Christie's Hercule Poirot, and alongside his assistant, Dr. Samuel Trowbridge, de Grandin's knack for solving mysteries—and his outbursts of peculiar French-isms (grand Dieu!)—captivated readers for nearly three decades. Collected for the first time in trade editions, The Complete Tales of Jules de Grandin, edited by George Vanderburgh, presents all ninety-three published works featuring the supernatural detective.

Presented in chronological order over five volumes, this is the definitive collection of an iconic pulp hero. The first volume, The Horror on the Links, includes all of the Jules de Grandin stories from "The Horror on the Links" (1925) to "The Chapel of Mystic Horror" (1928), as well as an introduction by George Vanderburgh and Robert Weinberg.

A girl who had everything . . . until she lost her life. Hercule Poirot recalled an earlier outburst by a fellow passenger: "I'd like to put my dear little pistol against her head and just press the trigger." Yet under the searing heat of the Egyptian sun, nothing is ever quite what it seems. A sweeping mystery of love, jealousy, and betrayal, Death on the Nile is one of Christie's most legendary and timeless works. "Death on the Nile is perfect." —The Guardian "One of her best. . . . First rate entertainment." —Kirkus Reviews

It all began one Sunday afternoon around three years ago. At home by myself, I was lounging on the couch and zapping idly across TV, young and carefree and looking for my kicks.

Suddenly, I fell onto the start of an episode of Columbo. It drew me in and I watched it to the end, and after that I'd try and catch another episode whenever I could. Hi-tech procedural cop shows like CSI Wherever never appealed to me, but Columbo's top-drawer plots, writing and characters, plus a dazzling first episode directed by a certain young S. Spielberg, got me hooked. Between times, lesser but no less entertaining detective shows like The Mentalist and Castle scratched the itch.
