You probably don't wake up in the morning, look in the mirror, and say to yourself, "I want to be an ordinary investor today. I plan to invest emotionally, ignore risks and opportunities unique to me, and end up with much less than I had hoped for." While no investor consciously does this, most investors are regularly taking action that is likely to get them ordinary results. The 7 Secrets of Extraordinary Investors provides common sense and in-depth research that will start you (and keep you) on the path to financial success.

Do you want to discover how to heal your body and balance your chakras, including secret tips to the third eye awakening? If yes, then keep reading... You are about to embark on a beautiful journey. You will connect to the innate healing systems within your body to profoundly improve your mental and physical well-being. It is my hope that through elevated awareness and increased mind-body connection, you will experience a subtle (but massive) shift in your energy, mind-set, and overall happiness. This book is an introductory guide to the chakra system, a network of internal energy centers whose various locations and properties correspond to specific elements of your physical body. You will be given techniques and tools to care for each of the individual chakras, as well as to ensure optimal function and balance throughout the whole system. Perhaps you have picked up this book because you are on a quest for healing. Maybe you've taken up yoga, or recently had some experience with another healing practice that opened you up to a greater flow of energy and alignment. Or maybe you're just curious about what chakras are. Chances are, you've had more direct energy experience than you think. In the coming chapters, we'll examine the common issues that arise when the chakras are blocked or imbalanced, and how to correct and restore balance to them. We'll also explore the crystals, colors, oils, and yoga postures that correspond to each chakra, so you can create your own personalized healing journey. Our journey begins with a look at your body's energy system and the seven chakras that inhabit it. We will then connect the dots between patterns emerging from the physical body and the subtle body (mind, psyche, ego, and soul). Every human being is already equipped with the ability to do this. If you are reading this book, you have already started the process—all you need to do now is remain open to understanding. This book gives a comprehensive guide on the following: Introducing chakra The 7 chakras and association Exercise to activate your chakras The meditation process What are crystals The power of crystals The healing benefits of crystals and stones Ways to align the chakras beyond meditation The healing process Using crystals for reiki Chakra healing techniques Crystals for chakra balancing Care of crystals ... AND MORE!!!

Europe and much of the developed world have been bogged down by stagnant economic growth and alarmingly high rates of unemployment. But not Germany. This book reveals seven key aspects of the German economy and society that have provided considerable buoyance in an era of global turbulence.

Have you ever fallen in love with a ring or necklace? Perhaps there's a reason! Gems and crystals have metaphysical and healing qualities that can support you physically, emotionally, and spiritually. This innovative guide will help you choose a piece of jewelry ideal for your unique life path. Diamonds enhance your creativity. Rubies teach us about love. Opals fuel intuition and offer healing. Which stones are right for you? Shakti Carola Navran offers a thorough introduction to astrology to help you identify the challenges and spiritual needs evident in your birth chart. A detailed list of sixty-four gems and crystals—with full-color photos of polished stones and finished jewelry—makes it easy to find the minerals that can balance these conflicting energies. You'll learn how to "program" your stone with joy, peace of mind, self-confidence, or any other quality. There's also helpful information for choosing the form (ring, earrings, or necklace), selecting the metal setting, and incorporating symbols into your unique piece of jewelry.

The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed! You have natural magical abilities that can elevate your life to a whole new level, as well as heal and help your loved ones and clients. The original teacher of this Divine magic was an Egyptian sage named Hermes Trismegistus. His teachings, called "Hermetics," were only taught verbally or in very cryptic writings. In 1908, three Hermetic students recorded them in a book called The Kybalion. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in Divine Magic, Doreen Virtue presents a clear, edited version of The Kybalion, written in understandable and modern language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With Divine Magic, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.

The lies told in the Garden, you shall not die and you will become wise like God, (become a god), are the foundational pillars of paganism/nature worship. From these religions many proclaimed healing methods which are not based on known science have evolved. They are a component of pagan spirituality, not some healing modality accidentally discovered. Such healing practices are the right arm for evangelism in the Neo-Pagan New Age movement. The devil, by deception, offers his counterfeit system of healing to entice man to give him the honor and worship due only to Jesus Christ the Divine Son of God. Many are deceived into believing that there is no spiritual danger in partaking of these proclaimed healing practices. This book exposes the terrible spiritual dangers posed by the New Age holistic health movement, which combines valid healing remedies with various mystical healing arts. Valuable insights are given herein into the traps of the paranormal from a Christian perspective. Today there many who are more interested in health at any cost than Gods will at any price.

Are you desperate to get a job? If you've recently been thrust into the cruel world of unemployment or have been searching for so long you'll even settle for a job in fast food... you need to read this. Unemployment rates are at an all-time high. We're constantly competing with people that are younger, more educated and willing to work for pennies. And often being unemployed isn't even your fault—it's because someone higher up than you made a mistake. These days, you're far more likely to lose your job for something you didn't do rather than something you did. And the longer you're out of work, the harder it is to get back in. But it doesn't have to be that way. Now you can turn the odds in your favor. Employers can be looking for you, not the other way around. You will no longer be told that you're overqualified, underqualified, have too much experience or too little. You can set your own terms. Some people think landing a job is about getting lucky at the right time. But do you want to leave your fate (and your family's) to luck? To throw resumes around and hope you get an interview? Luck is where preparation meets opportunity. We can't control the opportunity, but we can control the preparation. You don't have to do this alone. Getting a job is a skill, and like any skill, it can be improved with a system and a mentor. This book is your guide to give you an advantage over the competition and become the perfect candidate. You'll learn... The Seven Key Steps To Getting Hired 1. Focus Have you ever tried to drive to an unknown place without directions? You might get there in the end, but you're bound to get lost. Here you'll learn the seven layers of finding your why and how to position yourself to beat the competition—this is your roadmap to your new job. 2. Getting Them To Choose You A lot of people say they're passionate about the job, but how can you go above and beyond to really show them that you're the best one for the job? One part of this is investing in yourself and your skills, and you'll learn how to get paid to do it. 3. The Specialist Gets Paid If you need heart surgery, would you go to the general doctor or a heart surgeon? When you're a specialist, you can name your price because you're the best at what you do. Discover your rare skills and position yourself as the expert they need. 4. Your Job Search Skills Matter It's really easy to get burned out when looking for a job, we often go through manic cycles and end up getting nowhere in the end. And the key to winning the marathon is in this simple children's tale... 5. Taking Committed Action Fear is a major barrier that holds us back from doing the things which push us forward. You'll learn how to not only overcome that fear, but to see your unemployment like an opportunity. 6. Winning Interviews Did you know that most positions get filled before they are ever offered to the public? These are the skills you need to master in order to get that insider information and be one step ahead of your competition. 7. Getting The Best Offer When someone else controls all the factors and you feel like a puppet on a string—your job search efforts are more like gambling. Learn how to be strategic, control as many factors as you can and land that job. Even if you're desperate... if you feel like you're on the end of your rope... you can take this system and turn your circumstances into your advantage. This book is not just about getting a job, it's getting your career back on track. Scroll up now to claim your copy today—and never be desperate for a job again.

In this short story, Night the Owl finds himself in a different world with people who only believe in one god and the Holy Bible. Now Night the Owl needs to help save this world from the evil demons. The demons turn seven churches evil. God talks about the seven chosen ones to save the seven cursed churches. Night the Owl must make up his mind if he wants to help save this world or let it be destroyed by evil demons. Why did God choose Night the Owl and not Shadow the Owl? In the lost seven crystals, God chose the seven chosen ones. Also, if you enjoy this book, look for my other stories about the unknown crystals. A Wall Street Journal bestseller Financial expert, investment advisor and New York Times bestselling author James Rickards shows why and how global financial markets are being artificially inflated--and what smart investors can do to protect their assets What goes up, must come down. As any student of financial history knows, the dizzying heights of the stock market can't continue indefinitely--especially since asset prices have been artificially inflated by investor optimism around the Trump administration, ruinously low interest rates, and the infiltration of behavioral economics into our financial lives. The elites are prepared, but what's the average investor to do? James Rickards, the author of the prescient books Currency Wars, The Death of Money, and The Road to Ruin, lays out the true risks to our financial system, and offers invaluable advice on how best to weather the storm. You'll learn, for instance: * How behavioral economists prop up the market: Funds that administer 401(k)s use all kinds of tricks to make you invest more, inflating asset prices to unsustainable levels. * Why digital currencies like Bitcoin and Ethereum are best avoided. * Why passive investing has been overhyped: The average investor has been scolded into passively managed index funds. But active investors will soon have a big advantage. * What the financial landscape will look like after the next crisis: it will not be an apocalypse, but it will be radically different. Those who foresee this landscape can prepare now to preserve wealth. Provocative, stirring, and full of counterintuitive advice, Aftermath is the book every smart investor will want to get their hands on--as soon as possible.
