This fascinating, detailed study of the techniques and effects of male chastity is a really comprehensive study of this very popular disciplined regime which can be used for pleasure or punishment, or both. Keeping the male deprived of satisfaction, often for long periods, can give the woman GREAT satisfaction! When orgasm for the man is delayed - or completely denied - the focus is shifted from HAVING an orgasm (often involving anxiety) to NOT having an orgasm (involving humility, patience, and loving attention to the dominant female). This exciting new book looks at topics like choosing and fitting his device (metal or transparent plastic), asking permission to be released and then being made to wait longer, using edging techniques, causing the male embarrassment in front of others, having to sit down to urinate, learning not to question the Mistress' decisions, and accepting hard corporal punishment when needed as part of the overall lifestyle of abstinence, denial and discipline. (See chapters list for much more.) Jade Greenaway (Mistress Jade) and Mark Maguire have both written numerous books on adult discipline and punishment as part of consensual, loving relationships - all still currently available - and here they collaborate on this comprehensive look at this rapidly "trending" topic. Mistress Jade says "Life nowadays is very stressful. You can achieve peace of mind by giving away control over your genitals and ejaculations. Yes, the chastised male will certainly experience the most overwhelming frustration when prevented from having an orgasm for very long periods, but he can learn to please his woman rather than himself." Mark Maguire agrees. "The Mistress makes all decisions on behalf of the man, so the sub male is freed from all responsibility in that respect. However, there are severe consequences for any kind of disobedience as far as Jade and I are concerned. She uses a hard backed wooden hairbrush to spank me when necessary, and when I've deserved a bit more discipline, she has her favourite whippy, rattan cane which is always to hand. Wow does that cane of hers STING!" Read right now about the intense bond of intimacy and respect that can grow out of an adult consensual chastity and discipline lifestyle in "Chastity, Control and Correction for Men" by Mark Maguire (with Mistress Jade).

*A Living Sacrifice* is a comprehensive guide for men who are discerning God's call. It serves as both an introduction to religious life as well as a guide for discerning vows of poverty, chastity, and obedience. With clear language, engaging examples, and solid theology, the book tackles the big questions: "Should I date while discerning?" "Should I be a diocesan priest or a religious brother?" "What community should I join?" "What should I expect during formation?" "What is religious life anyway?" "How do I know for sure if I'm being called?" *A Living Sacrifice* includes an overview of most forms of religious life in the U.S., as well as contributions from priests and brothers in many different communities. While authored by Dominican priests, the book is deliberately written for men discerning any religious community. *A Living Sacrifice* offers a solid alternative to "cyber discernment" by addressing men's most common questions in a single volume. Perfect to bring into the chapel to spark a heart-to-heart conversation with Christ. Co-author Fr. Benedict Croell has been called the most successful religious vocation director in America, with over 100 men entering his community during his time of service. Co-author Fr. Andrew Hofer oversaw the initial formation of new brothers, and offers both real-life insights and a solid theological foundation. Together, they

amass their considerable experience to provide reliable advice during every stage of vocational discernment. Foreword by Abbot Primate Gregory J. Polan, O.S.B. Nihil Obstat, Rev. Basil Cole, O.P. Imprimatur, Rev. Msgr. Charles V. Antonicelli, V.G. "I commend Father Benedict Croell, O.P. and Father Andrew Hofer, O.P. on the publication of *A Living Sacrifice*." - Robert Cardinal Sarah

'How To Set Up An FLR' is a straight forward, no nonsense book that tells it like it is. Georgia Ivey Green (also known as Mistress Ivey) tells her readers the truth about Female Led Relationships instead of feeding their fantasies like so many others have done in the past. She

talks about real life and how to implement a female led relationship that fits you in real life, not in some fantasy you may have picked up from the Internet. An introduction to male chastity by a lady for ladies. No fantasies, just the reality. An easy way to gain a basic understanding of your partner's kink.

There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

What is 'Female Leadership'? It's accepting that 'She knows best' in all matters. From the finances to the household to how best to accomplish long-term goals. It's trusting in Her judgement to run things and embracing 'Her way'. This doesn't make the man weak, just the opposite, because men are the best at 'getting things done' when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side's strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex. Surrender, Submit, Serve Her seeks to help implement your Female Led household through tools like the Command and Conquer meeting (commanding and conquering tasks and roadblocks, not people), laying out the contract of servitude (clearly defining her dominion and removing unnecessary confusion) and crafting your own pledge that personalizes and empowers the act of his submission. Surrender, Submit, Serve Her has been nominated for the BDSM Writers Con 2017 Golden Flogger Awards for BEST BDSM Book of the Year in the Non-fiction category. Updated for 2018! Better formatting and new content.

Helpful advice from a female on how to introduce your partner to male chastity. Avoiding some of the common pitfalls

Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

How you implement the rules or not, is entirely up to you, these are just guidelines, things that we have found have been fun and work well in our relationship, feel free to alter or change a rule to fit your own situations. We have even included a number of pages for you to add your own specific rules that you may have that is not included in our own rules. What you have in the end is pretty much an owner's manual for your submissive husband, what better fun can there be for a submissive husband to know that in his house is a book of rules that he must follow else he may be punished by his Dominant wife. During my journey in a Female Led Lifestyle, I have come to see why spanking, paddling, whipping and canning is important and is such a popular and erotic form of training men.

Obedience must be demanded by each woman, if she wishes to rule like a Queen over each man. A Female Led Relationship may start out and often does as a male sexual fantasy, but it must evolve into a real lifestyle, where the woman really leads and the man really obeys or it simply will not work. I have seen many LOVE & OBEY couples reach this crossroads, and I often receive letters from men complaining that the woman has really adopted leadership of the relationship. They complain that now she wants to do things that they do not want her to do, but the Woman will no longer listen. These men quickly learn that women who have been set free into a Female Led Lifestyle, no longer care what men will "allow" and they realize they are now free to do as they see fit. They are "Modern Day Queens," and they view the man as their subject, or as their knight, either way they require the man to obey their commands. So today the LOVE & OBEY movement has moved far away from a fantasy or a game, it is a real lifestyle and men and women, thousands upon thousands of them around the world are fully committed to it. A Female Led lifestyle involves setting up some rules for a man's behavior that can be monitored by his female authority. If he breaks a rule, then he knows that he must be disciplined for doing so. This discipline teaches men to behave in a more submissive, obedient and loving way. Some couples set up rules together, while others rely on the female leader alone to create them. Some rules of male behavior are actually suggested by the man, because he wants to work on some negative aspect of his own behavior or attitudes that he believes is holding him back from becoming a better man.
