Chicago has been called by many names. Nelson Algren declared it a “City on the Make.” Carl Sandburg dubbed it the “City of Big Shoulders.” Upton Sinclair christened it “The Jungle,” while New Yorkers, naturally, pronounced it “the Second City.” At last there is a book for all of us, whatever we choose to call Chicago. In this magisterial biography, historian Dominic Pacyga traces the storied past of his hometown, from the explorations of Joliet and Marquette in 1673 to the new wave of urban pioneers today. The city’s great industrialists, reformers, and politicians—and, indeed, the many not-so-great and downright notorious—animate this book, from Al Capone and Jane Addams to Mayor Richard J. Daley and President Barack Obama. But what distinguishes this book from the many others on the subject is its author’s uncommon ability to illuminate the lives of Chicago’s ordinary people. Raised on the city’s South Side and employed for a time in the stockyards, Pacyga gives voice to the city’s steelyard workers and kill floor operators, and maps the neighborhoods distinguished not by Louis Sullivan masterworks, but by bungalows and corner taverns. Filled with the city’s one-of-a-kind characters and all of its defining moments, *Chicago: A Biography* is as big and boisterous as its namesake—and as ambitious as the

Then his tragic past rears up; pain and loss threaten to destroy forever the fragile bond that has blossomed between him and Holly. I'm a slut. Or at least that's what everyone calls me. I guess that's what you get when everyone think's you've slept with the whole football team and then some. My junior year of high school I gave my heart to Corey Winchester. He was handsome, cocky, and a pure gentlemen. Then everything changed in an instant. When I found out he was spreading malicious rumors about me, after I refused to sleep with him I was utterly surprised. To add to it, he broke up with me in front of the whole school. I essentially became the laughing stock of the town. People that I once called my friends became my enemies. They were finding a way to ruin my life one day at a time. Now the shitty part is I should have known a pretty boy like him was too good to be true. After ruining my reputation and life I did everything I could to stay under the radar, but it

just wasn't enough. I slowly learned that all the torment and hate was all for one thing. Revenge. That's what Corey wanted, and why I didn't know. Then Rex Winchester came along. Corey's cousin and someone I knew I shouldn't be getting close with. A whole six feet of hotness, a smile that melted the panties off of every girl in a fifty mile radius, and a heart of gold. He could have anyone he wanted, so why he chose me Corey's ex, the bullied, slutty girl was beyond me. All I knew was that I wanted him. I wanted him more than anything. The problem was, I couldn't tell if Rex was just like Corey or if his intentions were as innocent as he was making them out to be. My name is Jenna Haines and this is the story of how the one thing I wanted turns out to be the one thing that would hurt me the most. What happens when the one thing you least expect to happen does? What happens when all the lies and all the secrets come out?

Francine Prose's life of Caravaggio evokes the genius of this great artist through a brilliant reading of his paintings. Caravaggio defied the aesthetic conventions of his time; his use of ordinary people, realistically portrayed—street boys, prostitutes, the poor, the aged—was a profound and revolutionary innovation that left its mark on generations of artists. His insistence on painting from nature, on rendering the emotional truth of experience, whether religious or secular, makes him an artist who speaks across the centuries to our own time. Born in 1571 near Milan, Michelangelo Merisi (da Caravaggio) moved to Rome when he was twenty-one years old. He became a brilliant and successful artist, protected by the influential Cardinal del Monte and other patrons. But he was also a man of the streets who couldn't seem to free himself from its brawls and vendettas. In 1606 he fled Rome, apparently after killing another man in a dispute. He spent his last years in exile, in Naples, Malta, and Sicily, at once

celebrated for his art and tormented by his enemies. Through it all, he produced masterpieces of astonishing complexity and power. Eventually he received a pardon from the Pope, only to die, in mysterious circumstances, on the way back to Rome in 1610. Francine Prose presents the brief but tumultuous life of one of the greatest of all painters with passion and acute sensitivity.
